

LEGISLATURE CONTINUES TO WORK TO LOWER OHIOANS' HEALTHCARE COSTS

Weekly column by: State Senator Lynn Wachtmann

More often than not, when the average American is asked about the state of healthcare in this country, the discussion centers around cost. In fact, according to the 2006 Employee Benefit Research Institute Health Confidence Survey, the public's dissatisfaction with the nation's healthcare system has a direct correlation to rising costs. The survey found that 19 percent of Americans identify healthcare as the most critical issue facing the nation. This is a higher percentage than the Iraq war, gas prices, terrorism, the economy, and education.

From seniors to the disabled to millions of low to middle-income families, Americans everywhere are often struggling to cover their health insurance costs and many others can't afford coverage at all. According to the Ohio Department of Insurance (ODI), in 2003, over 1.3 million Ohio residents were uninsured. These rising health costs are also hurting many small businesses, and

as a result, we have seen a decline in the number of small employers offering health insurance to their employees. ODI reports that in 2003, only 53 percent of workers employed by an employer with less than 25 employees had health coverage through their company. Even worse, 33 percent were uninsured.

Recognizing the burdens being placed on many small businesses and their workers, the Ohio General Assembly has worked to find ways to lower the cost of health insurance and increase the number of Ohioans with coverage. Recently, the Ohio Senate passed Senate Bill 5, legislation designed to lower health costs by bringing more people into the small group health insurance market. The bill allows insurance companies to treat small businesses as alliances, thereby broadening their coverage pool, lowering risk and expanding coverage for an estimated 17,000 Ohioans. In addition, SB 5 allows companies with as many as 500 employees to enter an alliance, which is up from the current 150-employee limit.

While SB 5 will help provide coverage to thousands of Ohio workers, it is only part of a larger effort to decrease health insurance costs statewide. One of the biggest reasons our health costs are growing out of control is the exorbitant amount of lawsuits being filed against doctors and hospitals. In our lawsuit-happy society, doctors are often targeted for mistakes their patients feel could have been avoided. While some claims are substantiated, a large number of these lawsuits have no merit but can still cost a doctor hundreds of thousands of dollars in litigation and a permanent stain on their record. In addition, these frivolous lawsuits cause medical malpractice insurance premiums to rise, and to help cover these added costs, doctors are forced to raise the prices for care. In fact, in 2003, medical malpractice rates for the top five insurance companies increased by 30 percent!

To combat these rising costs and cut down on the amount of frivolous lawsuits, (Continued on Page 4)

REPORT FROM THE OAKWOOD POLICE DEPARTMENT

The Oakwood Police Department will be forwarding a report to the prosecutor's office for possible charges in the Oakwood State Bank and Trust robbery that occurred on October 17, 2006.

Credible tips that came in on the day of the robbery, led several departments to start tracking two suspects. On October 20, 2006, the Paulding County Sheriff's Office, along with the Oakwood Police Department, served a search warrant that led to the discovery of the vehicle and some of the clothing involved in the robbery. Some of the stolen cash was also recovered during the search.

We continued to track the two suspects and learned they had purchased a vehicle and were on their way to Florida. We were able to obtain an address in Florida, and then we contacted a fugitive task force to watch for them. After two pursuits, and one of the suspects committing a home invasion at knife point, our two suspects were taken into custody on unrelated charges.

The vehicle that was purchased with the stolen money was seized. Christopher Golden of Henry County admitted to his involvement in the bank robbery and to five other armed robberies in the area, including the Chief store in Paulding. Christopher also implicated the second suspect. The second suspect has not admitted involvement.

OBITUARIES

Christine A. Zuber, 75, of Antwerp, passed away November 23 at Dallas Lamb Foundation Home, Payne, Ohio.

Born in Paulding, Ohio on September 13, 1931, she was the daughter of the late John and Ann Lucile (Clark) Hessler. She married Richard Zuber on August 30, 1952. He passed away June 20, 1986.

Christine worked in housekeeping at Community Memorial Hospital in Hicksville after her husband died. She was a member of St. Mary's Catholic Church, Antwerp. Christine delivered Meals on Wheels, worked at polling locations for the Paulding County Election Board, enjoyed bowling and loved her family.

Christine will be sadly missed by her daughter and son-in-law, Linda and Charles Hankinson of Antwerp; son and daughter-in-law Edward and Dottie Zuber of Huntington, IN; sisters: Rosemary Sharp of Rochester, MI and Marie Kilpatrick of Port Charlotte, FL; brother, William Hessler of Payne; six grandchildren: Brandy, Kelly, Angie, Sara, Sam and Jenna; and ten great-grandchildren.

Her brother, John Hessler, has passed away. A Mass of Christian Burial was celebrated at St. Mary's Catholic Church, Antwerp, on November 27, and Father Thomas Oedy and Deacon Robert Nighswander officiated.

She was laid to rest at Maumee Cemetery, Antwerp. Contributions may be made to the church or Dallas Lamb Activity Fund or Paulding Area Visiting Nurses.

Arrangements provided by Dooley Funeral Home, Antwerp. Condolences and fond memories may be shared at www.dooleyfuneralhome.com

JOINT CHRISTMAS CANTATA PRESENTED BY NORTH SCIPIO UNITED METHODIST CHURCH AND SOUTH SCIPIO UNITED BROTHERS CHURCH

The choirs of North Scipio United Methodist Church and South Scipio United Brethren Church will be performing a joint Christmas Cantata again this year. The Cantata is titled Jesus, There's Something About That Name. The Cantata will be performed on December 10, 2006 at 9:30 a.m. at North Scipio United Methodist and on December 17, 2006 at 10:00 a.m. at South Scipio United Brethren.

The Cantata, Jesus, There's Something About That Name, was created by Tony Wood and Russell Mauldin and arranged and orchestrated by Russell Mauldin. It is distributed by Brentwood-Benson Music. The Cantata is directed by Dawn Patterson.

The Cantata opens with the "Come and Worship Medley" which consists of the lovely Gaither hymn, "There's Something About That Name." The medley then leads into the beloved "O Come, All Ye Faithful", and concludes with the spirited "Ring O'er the Earth".

The next number is the "Promised One Medley". This medley contains two familiar Christmas hymns, "O Come, O Come, Emmanuel" and "Come, Thou Long-Expected Jesus".

Next, there is the hauntingly beautiful solo, "Living in Me". This solo will be performed by Vicki Downend of North Scipio and Jen Manella of South Scipio.

Following this is the "Beautiful Name Medley" which is made up of "That Beautiful Name" and a reprise of "There's Something About That Name".

The next song is the sprightly "Blessed Be the Child". This song will be performed by two quartets: Female quartet - Sadie Hullinger, Sandy Buuck, Bethany Dunderman, and Shelly Dunderman; and Male quartet - Brandon Dunderman, Julian Burdine, Bob Jackson, and Chuck Unger.

Next is the tender "Cherish That Name", followed by "Here I Am to Worship" with "Joy to the World".

The Cantata concludes with the "Go and Worship Medley." The medley begins with a rollicking rendition of the old spiritual "Go, Tell It on the Mountain". This is followed by the Gaither hymn, "Get All Excited", and the medley concludes with a reprise of the majestic "O Come, All Ye Faithful".

The members of the joint choir are:

First soprano - Jessica Bradley, Sandy Buuck, Vicki Downend, Sadie Hullinger.

Second soprano - Ashley Anglemeyer, Joyce Drayer, Cindy Hickok, Jen Manella, Klayre Manella, Phyllis Robbins, Charlene Volkert

Alto - Julie Bradley, Bethany Dunderman, Shelly Dunderman, Donna Fordham, Dawn Patterson.

Tenor - Julian Burdine, Brandon Dunderman, Rebecca Gates, Angelo Manel-

la. Baritone - Dave Drayer, Bob Jackson
Bass - Chuck Unger
Narrators - Dawn Patterson, Sean Patterson
Sound Technician - Sean Patterson
Signing for "Beautiful Name Medley" - Jessica Bradley.

Rev. Patrick Fulbright of North Scipio and Rev. Gary

Gates of South Scipio would like to invite everyone to join their congregations in a musical celebration of the Christmas season. North Scipio United Methodist Church is located 5 miles east of Harlan on Highway 37. South Scipio United Brethren Church is located at the intersection of Scipio and Antwerp Roads, also east of Harlan.

GIVE THE GIFT OF LIFE THIS SEASON: HELP BUILD THE HOLIDAY BLOOD SUPPLY BY GIVING IN PAULDING COUNTY

Americans will purchase over \$32 billion worth of merchandise this holiday season.¹ Due to shopping, festivities and traveling, there is typically a blood shortage during the winter months. However, about 2.2 million patients will need a blood transfusion this season.² While you are preparing for the holidays, take one hour and give a priceless gift... the gift of life.

You can donate blood at one of the following blood drives:

Tuesday, December 12, at St. Mary's Catholic Church from 1:00 p.m. to 7:00 p.m. St. Mary's Catholic Church is located at 303 S. Monroe St. in

Antwerp.

Thursday, December 28, at Apostolic Christian Church from 11:30 a.m. to 5:30 p.m. Apostolic Christian Church is located at US 127 and Twp. Rd. 82 in Latty.

If you are at least 17 years of age, weigh a minimum of 110 pounds and are in good general health, you may be eligible to donate blood. All donors need to present positive identification. For more information or to schedule your blood donation appointment, please call 1-800-GIVE-LIFE (1-800-448-3543).

GILLMOR RELEASES 2006 SURVEY RESULTS

Congressman Paul Gillmor (R-Tiffin) today released the results of this 2006 Legislative Questionnaire. The survey is sent annually to households in all sixteen counties in Ohio's Fifth Congressional District. A sampling of the nearly 5,000 responses was used to tabulate the results from the survey.

"The results of my most recent questionnaire are very telling. These results are as I would have expected and show that the Fifth District remains committed to fiscal discipline, family values, energy independence and winning the battle against terrorism," Gillmor said.

"The district continues to have diverse needs and priorities. The War on Terror again ranks as the most important issue facing Congress this year (38.7%) followed by energy prices (22.6%) and illegal immigration (19.9%). By a large margin (58% to 33%), the district believes that we should remain in Iraq until democracy is stabilized and peace has been restored," Gillmor said.

"Economic issues also continue to dominate the minds of the Fifth District. Almost 82% of the district believes we should renew the 2001 and 2003 tax cuts which eliminated the marriage penalty, reduced the death tax, increased the child tax credit, and created new lowered tax rates. This is very important as the new leadership in Congress determines how to handle the tax cuts which I continue to support."

"With gas and energy prices as a major issue in the district, I was not surprised that 70% of people agree with me that the United States should increase drilling on the northern slope of Alaska to reduce foreign oil dependence."

"This year's questionnaire paints a very important picture of the Fifth District. Once again, the survey shows that the district is made of people who believe in fiscal responsibility, cutting government red-tape and creating an environment in which businesses can flourish and create jobs. The survey reaffirms that my votes in Congress have been, and will continue to be, consistent with the views of my district. "I have found my annual survey to be an effective way to learn the views of people from across our district. The responses and comments allow me to better represent the district in Congress and I am grateful that so many people took the time to respond," Gillmor said.

The results of the 2006 questionnaire are listed below and can also be found by accessing Congressman Gillmor's website at www.house.gov/gillmor.

**"SOUNDS OF THE SEASON"
TO BE PRESENTED AT ST.
PAUL LUTHERAN CHURCH**

Brass Works, "Sounds of the Season" concert will be held at 2:00 p.m. on Sunday, December 3 at St. Paul Lutheran Church, 601 Flatrock Drive, Paulding. This is the 2nd annual concert in Paulding, featuring area instrumental musicians and vocalists. Musicians in the ensemble are: Trumpet - Tim Booth and Scott Rogers; French Horn - Jonathan Chesman; Trombone - Vincent Polce; Tuba - Dale Schubert; Vocalists- Laura Schubert and Meghan Rogers. The concert will include entertaining and stirring performances of sacred, secular and traditional music, and will be a celebration for the entire community. Admission is free and the public is invited to include this activity on their holiday calendars.

(Continued from Page 1)
in December 2002, the Legislature passed Senate Bill 281, comprehensive medical malpractice tort reform legislation. In addition, to further assist physicians with the rising cost of malpractice insurance, the 125th General Assembly passed House Bill 215, a bill to prescreen medical lawsuits in an effort to make an early assessment about the merits of each case. While unfortunately rates remain high, thanks to legislative reforms and other factors, progress is slowly being made. According to a recent ODI study, after five years of double-digit growth in malpractice insurance rates for doctors, Ohio finally saw a 1.7 percent drop over the last year.

In order to tackle the rising costs of healthcare, we must continue to work to get at the root of the problem. While much more needs to be done, the Legislature's effort to cut down on frivolous lawsuits and expand insurance coverage opportunities for small businesses has finally put Ohio on the right path to lower costs and better care.

As always, I welcome your views on state issues. If you have any questions, thoughts or concerns, or if you need assistance working with a state government agency, please write to me: Senator Lynn Wachtmann, Ohio Senate, Statehouse, Columbus, Ohio 43215, or call my office at (614) 466-8150.

BLACK NOVEMBER

When I was a young turkey, new to the coop,

My big brother Mike took me out on the stoop,

Then he sat me down, and he spoke real slow,

And he told me there was something that I had to know.

His look and his tone I will always remember,

When he told me of the horrors of Black November:

"Come about August, now listen to me,

Each day you'll get six meals instead of just three,

"And soon you'll be thick, where once you were thin,

And you'll grow a big burbery thing under your chin.

"And then one morning, when you're warm in your bed,

I'll burst the farmer's wife, and hack off your head.

"Then she'll pluck out all your feathers so you're bald 'n pink,

And scoop out all your insides and leave ya lyin' in the sink;

"And then comes the worst part," he said, not bluffing,

"She'll spread your cheeks and pack you with stuffing."

Well, the rest of his words were too grim to repeat,

I sat on the stoop like a winged piece of meat,

And decided on the spot that to avoid being cooked,

I'd have to lay low and remain overlooked.

I began a new diet of nuts and granola,

High-roughage salads, juice, and diet cola;

And as they ate pastries, chocolates, and crepes,

I stayed in my room doing Jane Fonda tapes.

I maintained my weight of two pounds and a half,

And tried not to notice when the bigger birds laughed;

But 'twas I who was laughing, under my breath,

As they chomped and they chewed, ever closer to death.

And sure enough, when Black November rolled around,

I was the last turkey left in the entire compound.

So November gone, I'm a pet in the farmer's wife's lap;

I haven't a worry, so I eat and I nap.

She held me today, while sewing and humming,

And smiled at me and said, "Christmas is coming..."

It's the most wonderful time of the year, and Antwerp students are helping to make the season brighter for many needy residents of Paulding County by participating in the Christmas for Kids drive. All are encouraged to bring items such as non-perishable food items, new toys or games, soap, toilet paper and other paper products, personal hygiene products, size 2, 3, and 4 diapers, and non-aerosol cleaning supplies to place in the donation bins located in the Rotunda. In the elementary, the class that generates the most donations per student will receive the choice of having either an ice cream party or a pizza party sponsored by Kammeyer's IGA. Meanwhile, teachers in the junior high and high school will serenade their students with Christmas carols on the morning of the last day of school before break, provided that at least 1200 items are contributed to the cause. As we know from last year, this is a sight to be seen. With everyone's help, we can make this one holly, jolly Christmas for all!

If you're looking for some quality family time, the PTO has just the thing organized for you. Elementary students and their families are invited to make a pit stop at the Auditoria this Thursday at 6:30 p.m. for a Family Fun Night where there will be a viewing of the movie *Cars*. The 8th grade class will be selling concessions as a fundraiser for their trip to Washington, DC, including walking tacos, hotdogs, and pop. Ladies and gentlemen, start your engines, warm up in the car, and bring the family in for a fun evening.

Word of the Week: Magnanimous \magn-an-uh-muhs\ adjective
1. Noble and generous in spirit

2. Tolerant; forgiving
Example: "The magnanimous attitudes of Antwerp students will propel the total of donated items to the Christmas for Kids project exceeding the intended goal."

Archers, let's let our magnanimity shine through and make this a wonderful Christmas for the entire county. Happy giving!

REP. GILLMOR REMINDS SENIORS ABOUT PRESCRIPTION DRUG CHOICES

Fifth District Congressman Paul Gillmor (R-Tiffin) is reminding senior citizens about their options for Medicare Prescription Drug Coverage for 2007. The open enrollment period for seniors to begin or change their coverage started on November 15th and continues through December 31st for coverage beginning on January 1, 2007. Enrolling by December 8, 2006, will ensure coverage is available without delay on January 1, 2007. Gillmor says that if seniors are satisfied with their plan and its drug coverage there is no need to switch but if they are looking for other options, now is the time.

"When Congress created the Medicare Prescription Drug Program in 2003, we created it with flexibility in mind. Now is the time for seniors to review their coverage and take advantage of their right to switch insurers," Gillmor said. "As a result of the Medicare Program, more than 80 percent of the senior citizens in the Fifth District now have prescription drug coverage. Over the past year, I have heard from many satisfied seniors who are happy with their prescription drug plans and the coverage they receive. If you are satisfied with your coverage, you may

not need to change plans but if you feel your coverage is lacking, it may be worth your time to look at your options," Gillmor said.

Gillmor says that the competition and flexibility built into the program by Congress has resulted in no increase in the average monthly premium for 2007, a 13 percent increase in the drugs covered by most plans, and at least one plan in every state which covers all prescription drugs during the "doughnut hole." On average, seniors are saving more than \$1,200 annually on their drug costs as a result of the Medicare Prescription Drug program.

On Medicare's website, the agency has added new consumer tools which focus on the satisfaction and performance of the individual drug plans including ratings in the areas of customer service, complaints, appeals and information sharing with pharmacists. Congressman Gillmor recommends any senior interested in reviewing the plans use any of the government resources available to them including:

- Checking the website www.Medicare.gov;
- Calling 1-800-MEDICARE (1-800-633-4227) 24 hours a day, 7 days per week;
- Contacting the Ohio Department of Insurance's OSHIP Program at 1-800-686-1578.

SUPPORTING YOUR IMMUNE SYSTEM: SIX SIMPLE LIFESTYLE CHANGES

By Paula Nuestr RN

Miraculous! Incredible! These are just two terms that can be used to describe your body's immune system. Similar to a complex and efficient army, the immune system protects against invaders whether they are bacteria, viruses, fungi or malignant cells. When this incredible system weakens, a person may be dealing with a trivial illness such as a cold or a life threatening one such as cancer.

Here are six lifestyle changes that can strengthen and maintain your immune system:

Get sufficient restorative sleep - Science is showing that undisturbed sleep encourages efficient cell repair and allows the mind and body to rejuvenate. Adequate sleep enhances the immune system and healthy immune system enhances sleep.

Drink plenty of pure water everyday - Your body should be well-hydrated for the lymphatic system to work correctly. The lymph system which includes the spleen and lymph glands is one of the most important immune system components we have. Its function is to filter and destroy foreign substances. Experts suggest drinking half of your body weight in ounces of water. For example: 150 pound person would ideally drink 75 ounces in water daily.

Exercise regularly - Science is suggesting that even 30 minutes of exercise per day gives a temporary boost to the production of bacteria-attacking cells. Regular exercise supports the immune system as well as helps overall mood and perception of well-being.

Eat plenty of fresh fruits and vegetables - Antioxidants compounds can work against disease causing agents known as free radicals. Over time, the free radicals attacks can overwhelm system and contribute to host of chronic diseases including cancer and heart disease. Consider adding organic or truly vine-ripened fruits or vegetables versus green harvested and chemically ripened ones. Phytonutrients (dense nutrients from vine-ripened whole food sources) are good sources of nutrient supplementation.

Healthy sugars - Add glyconutrients to your diet. Research from John Hopkins showed that saccharides found in glyconutrients appeared to prevent children's common colds. Vanderbilt University study published in Immunopharmacology and Immunotoxicology showed that the number of killer T-cells increased when exposed to glyconutrients and ability to destroy an invader soared. Killer T-cells play a large role in the immune system response. Research into this field of glycobiology and the impact of glyconutrients is exploding.

Laugh more - Laughter triggers the release of endorphins, the body's nature painkillers, as well as increases immune function by stimulating infection-fighting T-cells and B-cells which produce disease destroying antibodies according to Loma Linda University in California.

PAULDING COUNTY COMMISSIONERS

The Paulding County Commissioners met in regular session on Wednesday, November 15 and Monday, November 20, 2006.

Tony Langham provided the monthly update on economic development at the November 15th meeting. Langham reported on The Colony, a planned residential development south of the new school site. The land has been annexed to the Village of Antwerp and plans for the streets, curbs, sidewalks, utilities and lots have been prepared. The Paulding County Economic Development office has been working with the development company and the village to arrange for a portion of the financing of the infrastructure for the new housing area.

On Tuesday, November 14 the Commissioners attended the annual meeting of the Paulding County Soil and Water Conservation District (SWCD). The SWCD is an independent agency that advises and assists the agricultural community and other landowners. The Commissioners were presented with copies of the Soil Survey of Paulding County. Copies of the survey document are available at the SWCD office.

At the meeting the SWCD Board honored Bill Hanenkratt for his stewardship of natural resources.

Marty Harmon, Chairman of the Board of County Commissioners, attended the monthly meeting of the Area Office On Aging in Toledo on Thursday night. Harmon represents Paulding County on this regional board that covers the northwest area of the state.

On Friday, Commissioner Ron Lane attended his last regular meeting of the Board of Directors of the County Commissioners Association of Ohio (CCAO) in Columbus. Lane has represented Paulding County as a member of the CCAO Board of Directors for seven terms.

Jane Gray, Superintendent of the Paulding County MRDD Board, attended the Monday meeting to provide her regular update on program activities. Gray reported on the successful installation of new electrical service lines by AEP. The existing lines were routed over the PC Workshop building and the replacement lines avoid placement over the structure.

At noon on Monday Commissioner Marty Harmon attended the Steering Committee meeting of the Paulding County Senior Center.

ANTWERP HISTORY "THE STINGER SCHOOL - 1908"

By: Stan Jordan

The biggest share of the names and news about that 1908 picture of the Stinger School pupils and the photo were loaned to me by Barbara Reeb Cleland of Hicksville. We will have more about her after we list the names of the children.

First Row - L-R: Fordyce Kauffman, Herman Reeb, Carrie Zuber, Eva Reeb, Margurite Zuber, Helen Dunderman, Ola & Nola Manges-twins, Lera Peffley, Vera Ruppert, Thelma Wallace, Garrett Zuber.

Middle Row - L-R: Fred Dunderman, Joe Cook, Francis Cook, Laverne Reeb, Gol-

da Manges, Helen Schultz, Irene Reeb, Clara Johnson, Mae Perkins.

Back Row - L-R: Teacher-Margarite Peffly Camp, Clyde Manges, Irene Wallace, Beulah Peffly, Ruth Wallace, Gay Reeb, Una Parrott, Minnie Peffly, Jenny Zuber, Eva Perkins, Harry Reeb, Ray Zuber, Eugene Wallace.

The first on the left in the back row is the teacher, Margarite Peffly Camp. She was the sister of Laverne Peffly Reeb and married to Perry Camp, an aunt of Barbara Clyde Manges. Laverne was raised by Harve and Fannie Manges, he was not their son.

Irene Wallace married

Jerry Culler and had five children, Norman, Eileen, Evelyn, Helen and Paul Culler.

Beulah Peffly, she was the daughter of Fred and Jennie Peffly, sister of Garner Peffly and a cousin of Laverne Reeb.

Ruth Wallace, there were three girls and a boy in this school at that time. Ruth, Irene, Thelma and Eugene. I think they lived west on 204 where Frannie Coughlin lives now. Gay Reeb, was the daughter of Ed and Nora Reeb and she later married a man named Babcoke and I think he worked on the Ft. Wayne Police Department.

Una Parrott later married Ed Richardson and she lived

to be well up in her 90's.

Minnie Peffly, she was the daughter of Fred and Jenny Peffly. Garner was one of these children. I think they lived on 204. Fred was Tim's great-grandfather.

Fordyce Kauffman: I think he was related to Bert Kauffman (Rhuehama came later).

Herman Reeb: he was the son of Ed and Nora Reeb. Herman Reeb was nicknamed Budd and he had one daughter, Mrs. Maxine Quisno.

Carrie Zuber

Eva Reeb: daughter of Ed and Nora Reeb, older sister to Budd Reeb. I think she married Dick Seslar had children named Gilbert, Noretta, Robert, Dorothy and Betty.

Margarite Zuber, later on she married Verlin Armstrong and had a fine family. Fact is, one of her grandsons became the mayor of Defiance.

Ola and Nola Manges, those twin girls in the front row were born in 1902. Ola married Thurman Powell, they had one daughter, Pauline, and have been married 62 years.

Nola married the other Powell boy named Weldon. They had two daughters, Eileen and Eula. Eileen married Marion Charles 'Pete' Donat. Eula married school classmate, John Howard. Johnny is gone now and Eula lives in Fort Wayne.

At that time, Ed and Nora Reeb lived on North SR 49 on the east side, where people used to call the Jailor Place. It was a brick house with a barn. They had a number of children: Gay, Delta, Eva, Irene, Herman, Willie, Wendell, Wilbur, Anadell and Eddie. There was another house just a little ways north of the Reeb's and the last to live there was Andy Lucas.

Len Zuber's family lived west on 204, the third house on the right. But at that time it sat more to the north a little back off the road. They had a large family and most of them attended Stinger's School. Two of the girls, Carrie and Margurite both married Armstrong boys. Mary married Ed Meyers (Virgil's dad). Anna Mae married Millard Snyder. The Zuber boys were Frank (lives in Payne), Garrett, Ray and Lavon.

Helen and Fred Dunderman were children of George Dunderman and they lived

on West 220 where Billy Joe Hicks lives now. That was almost a two mile walk each way to school.

Ruth Wallace and Eugene Wallace lived right close on 204. They had two sisters. Irene Wallace married Jerry Culler and Thelma Wallace married Harry Culler. They both lived to be well up in their 90's.

Fred and Jenny Peffly lived east on 204 down by the corner of CR 43 and 204. Later on Charlie Shuherk lived there. They had Beulah, Minnie and Lera.

Vera Ruppert was the daughter of Oscar and Rebeccah Ruppert. Later on she married Harry Terrill and had three boys and two girls.

Helen Schultz was the daughter of Mag Schultz and her husband, Albert.

There was a Mae Perkins that I couldn't find anything about.

Eva Perrins, she married Paul Reeb (class of 1920) and they were in the funeral business in Sylvania.

There was a Joe and a Francis Cook and Clara Johnson that I couldn't find anyone who remembered them.

Goldie Manges married Virgil Taylor and they had Raymond, Dorthy and Robert. Mr. Taylor died at a young age. Goldie then married Harry Rogers and they had Alice and Johnny.

Harry Reeb was the son of Henry and Harriet Reeb and they lived across from Larry Dunderman long before Albert and Clara Trembly lived there (Mr. Parker lives there now). Clara was also Hen Reeb's daughter.

Laverne Peffly was the daughter of George and Hannah (Reeb) Peffly. Harry

Reeb and Laverne Peffly were sweethearts all during the school years and they were married in October of 1915. As I remember, Harry Reeb worked at the East Elevator before WWII. They lived out south on Erie Street (49). They had two children, Wilma and Barbara. Wilma married Burl Mumy. I can sure remember him because he was a pitcher for the Antwerp Braves back in the 20's and 30's. He was tall and lean and had long arms and it looked like it was coming from second base. He was a fireballer. They lived for years over in the Sherwood Mark Center area. They both lived well into the 80's.

Barbara Reeb was born in 1929 and graduated in 1947. She married Robert Cleland on December 31, 1949 and they settled down in Hicksville.

When WWII started, Harry went up to the Casad Depot and was Fire Chief there as well as in Antwerp. At the Casad he spent many 24 hour days because of some emergency. Harry died in 1947. Antwerp lost a true booster.

Laverne moved over behind the school in a new house in 1951, the other house was too big. She passed away in 1975.

I owe 97.1% of this story to Barbara Reeb Cleland. She loaned me the picture and the names of the people that she could. I am really thankful for all the help. She gave me more news than I could use.

Barb had three children and she and her husband Robert live in Hicksville.

Barb, again I say thanks and the best of everything to you and yours.

See Ya.

ANTWERP'S 1ST PARADE OF LIGHTS

by: Angel Steiner
 "It's beginning to look a lot like Christmas, everywhere you go . . ." Well, at least in the village of Antwerp it is. Saturday, November 25 saw the opening of the festive Christmas season come in with mistletoe and strings of lights as the Village of Antwerp celebrated with their first ever Parade of Lights. This venture was new to the village and all that did participate did an excellent job representing the spirit of the holiday season.

The Antwerp fire department opened the parade with a gale of sirens to let everyone know they were coming. Next came the Mayor of Antwerp, Margaret Womack. Then float after float went by, each with its own uniqueness to

represent Christmas. From glow in the dark necklaces to Christmas trees and fireplaces nothing was lacking in this parade. A bicycle was even lit up with lights as it rode down the lane.

Children as well as adults couldn't help but to well up with giddiness as they saw Mr. And Mrs. Claus drive by on their . . . golf cart? One of my children asked me as they went by, "Momma, where is Santa's sleigh?" I quickly thought of a believable answer, as a good parent always does, "Well, that is what Santa drives when there isn't any snow on the ground. You see, his sleigh would make sparks all over the road and scare all the children away from the parade." Phew!! It satisfied.

With all the floats past, everyone trekked down to

the lighting of the town Christmas tree on Main Street between The Dance Dolls building and the Antwerp Insurance Agency, just across the street from the post office. After several anxious minutes, it was shouted, "One, Two, Three, . . . light the Christmas tree!!" And one-two-three all the lights came on and the evening climaxed with a line up to talk to Santa under the Christmas tree and hot

chocolate and donuts for all.

To the village of Antwerp and the Chamber of Commerce, "Hallelujah!" you brought the season in with a bang and the spirit of Christmas is shining this year brightly.

HINTS FOR HOMEOWNERS

Don't Provide A Warm Welcome To Pests This Winter

(NAPSA)—As the weather cools, you and your family may not be the only ones seeking warmth and shelter under your roof. When fall and winter arrive, pests—much like people—look for a cozy place indoors to settle down until spring.

According to the experts at Orkin, Inc., fall is the time homeowners should think about pest-proofing their homes to prevent these unwanted guests from moving in during the cold winter months.

For example, many species of rodents venture indoors during cold weather and may continue to dwell in your home even after temperatures warm up. "Most homeowners don't realize that pests are a problem until it's too late," says Orkin, Inc. entomologist Ron Harrison, Ph.D. "Many pests, such as rodents, pose health threats to your family, as they can spread disease and contaminate food. The best way to keep pests from surprising you in the winter is to prevent their entry in the fall."

Several insect species are interested in staying in your comfortable home during the chilly months. Smoky brown cockroaches can sense a temperature decrease of only five degrees and will want to head indoors. Many other insects, such as wasps, ladybug beetles, box elder bugs and cluster flies, can be found around plants and shrubs in your front yard during the summer. As the weather turns cooler, they'll look for warmer spots to spend the winter, so be careful not to make entry too easy.

Fall is the time homeowners should think about pest-proofing their homes.

To keep pests from nesting in your home over the winter, try the following tips this fall:

- Tightly seal all entry points, such as cracks in siding, faulty screens on doors and windows, and gaps around pipes. Mice can squeeze through holes the size of a dime, and rats can enter holes the size of a quarter.
 - Keep vegetation at least two feet away from the house, as it can serve as a highway for pests to enter your home.
 - Inspect firewood. Some ant and roach species are carried indoors on infested firewood, so store it on a raised platform away from the house. Only bring firewood inside your home that you plan to use immediately.
 - Keep mulch several feet from your home because insects are attracted to the moisture it holds.
- However, if pests show up this winter, it's best to trust an experienced professional to determine the best way to control the infestation. For more information, visit www.orkin.com or call (800) 800-ORKIN.

"The most foolish mistake we could possibly make would be to allow the subjected people to carry arms; history shows that all conquerors who have allowed their subjected peoples to carry arms have prepared their own downfall."

Pumpkin Pie Is Even More Pleasing When You Add Corn Syrup

(NAPSA)—If pumpkin pie is an important part of your holiday meals, then you may be interested in ways to make this perennial favorite even better.

With the right ingredients, you can achieve a richer, deeper flavor for the filling and serve your guests their own personal single serving.

Pumpkin pie perfection requires striking a delicate balance between sweetness and spice. The unique flavor combination of sweet pureed pumpkin, cinnamon, ginger and cloves can be overpowered by too much sugar.

To complement the pumpkin and spices and help achieve a deeper, more complex taste, use a combination of corn syrup and sugar to add sweetness to your pumpkin pie. Dark corn syrup was an essential ingredient in homemade pumpkin pies 60, 80 and 100 years ago and remains an excellent ingredient choice.

This new, improved recipe, Individual Classic Karo Pumpkin Pies, has a smooth but dense, and not overly-fluffy texture. It may well become your new pie tradition.

After the main course, anyone for whom portion-control is paramount will appreciate this recipe for single-serve "pumpkin pie-lets."

Try flavoring real whipped cream with any of the following: vanilla, finely chopped crystallized ginger, cinnamon and freshly-grated nutmeg or ground cardamom and cinnamon to serve along the pies.

For more delicious recipes, including Frozen Pumpkin Cream Pie, Pumpkin Cheese-Swirled Pie, Pumpkin Pecan Pie and the Classic Pumpkin Pie, visit www.karosyrup.com.

The addition of dark corn syrup makes these mini pumpkin pies more flavorful than other pumpkin pies.

Individual Classic Karo Pumpkin Pies
Prep time: 25 minutes
Bake time: 1 hour
Chill time: 2 hours
Makes 6 servings

Ingredients:
 1/2 cup sugar
 1/2 teaspoon salt
 1 teaspoon ground cinnamon
 1/2 teaspoon ground ginger
 1/2 teaspoon ground cloves
 2 eggs
 1/2 cup Karo Dark Corn Syrup
 1 can (15 ounces) pumpkin
 1 can (12 fluid ounces) evaporated milk
 Pastry for double crust pie

Directions:
 Preheat oven to 350° F.
 Mix sugar, salt and spices in a bowl. Add eggs and beat slightly. Add remaining ingredients; blend well.

Roll pastry on a lightly floured surface.
 Cut six circles of pastry about 6 to 12 inches in diameter. Note: if using a purchased refrigerated pie crust, roll each crust into an oval, about 16 x 13 inches. Cut 3 circles from each oval. Place each pastry circle in a 10-ounce custard cup. Fold top edge of pastry towards the inside; flute or crimp edges by pressing pastry against cup at even intervals.
 Place an equal amount of pumpkin filling (about 1/2 cup) into each prepared crust.
 Bake 50 to 60 minutes or until knife inserted in pie center comes out clean. Allow pies to cool a minimum of two hours before serving.

Getting The Most Out Of Medicare

(NAPSA)—Medicare's open enrollment starts November 15. Now is the time to evaluate your current plan—has it met your needs this year? Medicare recommends taking this quick Rx Enrollment Checkup. If you are satisfied with your plan, you do not have to do anything to re-enroll. Take a few minutes now and ask yourself these three questions:

- ✓ **COST:** Will your premium and costs change in 2007?
- ✓ **COVERAGE:** Do you need more coverage in 2007? Will the prescription drugs you take be covered by your plan in 2007?
- ✓ **CUSTOMER SERVICE:** Are you satisfied with your plan's service?

Nov 15—Open Enrollment Begins

Dec 31—Open Enrollment Ends

Jan 1—Coverage Begins

Enroll early to make sure you can get the prescriptions you need on January 1st.

Medicare is here to help you—on line, on the phone or at events in your community. You can also call the plans directly for more information.

By the age of 16, more than one in four children have experienced at least one significant traumatic event—and many children in America suffer repeated traumas. These children may suffer psychological or behavioral problems if they do not receive help in their recovery. The National Child Traumatic Stress Network was established by the U.S. Congress and Substance Abuse and Mental Health Services Administration of the federal government to raise the standard of care and increase access to services for children and adolescents who have experienced traumatic events. PHREEZE PHRAME GRAND OPENING

By: Sue Knapp
Saturday, November 25 marked the Grand Opening of Phreeze Phrame Photo Studio.

Located at 103 E. Perry in Paulding, on the Square, owner Jeanene Lewis is very excited to share her talents with you.

Jeanene and her husband are the parents of three children: Aimey, Michael and Kandise, and one grandson, Nickolas.

Interest in photography has been in the family for many years. Her grandfather sent back pictures while overseas in WWII and his son (her Uncle) sent back pictures from Viet Nam. The legacy continues with Jeanene and her children.

Jeanene's interest in photography started when she was a little girl. When she got older she worked at K-Mart as a photographer then decided to branch out on her own. She has been planning her own

studio for years. She picked the name Phreeze Phrame because you can freeze time with photography.

She offers Senior Packages in the Studio or on location. She welcomes pets and she will go on location to nursing homes or any house-bound person. She photographs weddings and will offer packages for school children. You can customize your own package and she will work within your budget. There will be package specials all the time.

She offers your pictures in black & white, color or sepia and you can purchase a copy-right release CD of your proofs or you can view them right in the Studio.

Hours for Phreeze Phrame are Monday through Friday from 10:00 a.m. - 2:00 p.m.

Saturday from 10:00 a.m. - 8:00 p.m.

Sunday from 1:00 - 8:00 p.m.

The Phreeze Phrame studio is also handicapped accessible.

MASONS CELEBRATE 59TH THANKSGIVING BREAKFAST

Over 100 Masons from all over the Tri-State area attended the 59th Annual Thanksgiving Master Mason Breakfast. The fog did not deter everyone from enjoying the morning. Those from Hicksville Lodge that were there bright and early Thursday morning included WM Walter Schilb, Ron Farnsworth, Jim Kline, Tim Betts, Bill Metz, Gerry Shidler, Scott Ruppert, Dick Savage, Norm Byers, Charles Carey, Lee Kallens, Jim Wonderly, Wm. Kenny Wonderly, Scott Wonderly, Calvin Worden, Guy Boylan, Dick Altman, Brent Savage, Randy Brooks Sr., Stan Jordan, Mark Savage, John Gordon, Wayne Carr, George Underwood, Ryan Metz, Curtis Metz, Dave Metz, Lowell Metzgate, Robert Stotler Sr., Doyle Johnson, Russell St. John, Darren Brown, Terry Ayers, Robert Stotler Jr., Rick Evans, Richard Evans Sr., Derrill Kline, Tom Culler, Dean Phillips, Greg Headley, Dick Wann, Bob Volkert, Jan Perry and Bruce Guilford. These members totaled 44 and guest added up to 64 for a total of 108.

There were many dignitaries in attendance starting with Most Worshipful Brother James Olmstead from Phoenix Lodge 123. MWB Jim was Grand Master in 1995. The current Senior Grand Warden Charles Murphy was also in attendance. Charles is in line to be Grand Master of

Ohio in a couple years. Two Past Potentates from Mizpah Shrine, Duane Targart and Thomas King came from Indiana.

Besides Hicksville Lodge being represented, there were members from Fulton 248, Phoenix 123, Sherwood 620, Northern Light 40, Robinson Locke 659, Genoa 433, Leo IN 224, Wauseon 349, Barton Smith 613, Butler IN 239, Charles Fleming represented Arthur 825 IL, Bryan 215, Warren ME 2, Mt.
