

## INTEGRITY FORD REBUILDS & REMODELS

Remember June 29, 2012? You might not recall the date, but certainly you can remember the destruction. It was a storm. A big storm. The derecho, the official term of what some called a Land Hurricane, was highly destructive to the area, especially Paulding and Van Wert Counties. Integrity Ford was one of many places that had been hit hard by the destructive effects of the massive storm. Power lines were draping across vehicles on US 127 near the

dealership.

It has taken a while to clean up and you can still see remnants of the storm in the region.

Integrity on the south side of Paulding reopened right away for its customers even with damage.

The storm cost was over half million dollars to the sales lot and vehicles. Rick Greear, manager of Paulding Integrity, got the plans

## JOHN PAULDING DAYS - THURSDAY JUNE 5<sup>th</sup> - FRIDAY JUNE 6<sup>th</sup>

The theme for this year's John Paulding Days is Music Through The Ages. The Chamber Board decided it would be a great theme for area groups to celebrate the music they love most. Executive Director of the Paulding Chamber Erika Willitzer says they're already hearing how folks are decorating their parade floats like the 1980's and a few have stated they're decorating for the "Roaring 20's".

The parade will be on Thursday, June 5<sup>th</sup> at 7:00 p.m. like past years and the parade route will be the same as last year too. It will start at Williams Street, go right on Wayne, then left on Perry and then left onto Williams again.

The two day festival located in downtown Paulding will be family focused with free music on the courthouse lawn and at the Herb Monroe Community Park too. Plenty

## NEW PATIENT Special!

Bragg Chiropractic

"The best \$27 dollars I have ever spent!"

My experience at Dr. Bragg's has been amazing, I was having pain in my lower back and the pain was shooting all the way to my feet for over 2 years. This pain would keep me up at night with burning in my feet. I have seen specialists for my problems and really got no good answers or help. Dr. Bragg was able to diagnose my condition in just a few short minutes, when no one else could. He gave his recommendations and treatment plan and in just under 2 weeks, I was feeling better than I have in years, thanks Dr. Bragg!

**CHP INTRODUCING NEW COMPANION PROGRAM**

Community Health Professionals, Inc. is piloting a new, nonmedical senior companion service this month, called Hometown Helpers.

The companionship program offers caregivers who will spend time with seniors, providing socialization and assistance with living tasks like grocery shopping, errands, playing games, reading, transportation to appointments, eating a meal together, feeding a pet and more.

"Whether you live across the country or across the street from your aging family members, it helps to know they have someone nearby who can check in and spend time with them," said Brent Tow, CHP President/CEO. "We hope to provide piece of mind for family members knowing they have a friendly companion who visits their loved one regularly."

Tow says a companionship aide can keep loved one stay socially engaged at home, and also continuing to visit friends, family, and other social events.

Services will be billed on an hourly basis at an affordable rate well below other's, Tow says, with a two-hour minimum.

"We believe that we are the most affordable, local companion service available," he said.

The new service may also provide high school and college students an opportunity to work in their community. CHP will be hiring people, age 16 and older with a driver license and reliable vehicle at \$8.50 an hour. Hours will be part-time and flexible. An option to fulfill volunteer hour requirement is also available.

Towsaysinterested individuals should complete an application and may be contacted as cases become available. Job applications can be picked up at Community Health Professionals, 250 Dooley Dr., Ste. A, Paulding.

Companionship services can be initiated by a family member who is concerned about a parent or grandparent

or by the client when they have a need for help in the home, according to Tow.

"Sometimes, just a little time and companionship are all the help that's needed," he said.

Families interested in learning more about companionship services should call 419-399-4917.

**HANDS OF HOPE TO EXPAND HOURS**

Hands of Hope Pregnancy Services, Inc. is pleased to announce that they are expanding their hours beginning June 9, 2014. **EACS TEACHER RECEIVES FELLOWSHIP**

East Allen County Schools Social Studies teacher Kevin Jehl has been named a 2014 recipient of the Ford's Theater Fellowship. Jehl is one of twenty-four teachers nationally who have been invited to Washington DC in July for a week of Civil War enrichment programs. Fellows use walking tours of Washington

and landmark site studies to research the lives and oratory of President Lincoln and Frederick Douglass. Teachers who attend this program use the experience as a basis for creating classroom lessons which bring these topics to life for high school students. This award is sponsored by the Catherine Reynolds Foundation. Jehl currently teaches United States History at East Allen University HS.

**NEW LEGISLATION OFFERS EDUCATIONAL AND EMPLOYMENT SUPPORT FOR VETERANS**

**Guest Column from Representative Tony Burkley**

Moving into the summer season, the Ohio House of Representatives has been busy with a variety of bills. Devoting time and attention to each piece of legislation is essential and part of the democratic process. As many of these bills have passed through the House, one of special importance has now advanced to the Senate.

House Bill 488 would affect servicemen and women that contribute to the well-being of individuals in the communities around them on a daily basis. Not only would it affect the 82nd House District I represent, but it would affect every district in Ohio.

The purpose of this bill is to give back to the veterans who have invested their lives into a career of fighting for our country. Through military careers, veterans have gained a valuable education outside of the classroom that can and should be used to accelerate their future endeavors.

This bill would offer military veterans the opportunity to receive college credit for the skills they have obtained and used while serving our country. The training our veterans have acquired can be used in a wide array of career and educational settings.

This instruction that our veterans have received is specialized and extensive. The hard work these men and women have put into our military is admirable and should be recognized leading into future opportunities.

This bill offers a gradual transition into the workforce or into a college program from the military with the training counting as credit. It would offer stability to service members as well as a jump start to

their new career path.

This bill would also require a process to be created that would ensure that the credits were counted in an orderly manner. State institutions would also have to establish policies to assist these veterans wanting to receive credit.

H.B. 488 passed last week though the Ohio House and was referred to the Public Safety, Local Government & Veteran Affairs committee in the Senate. I hope to bring attention to this important legislation because honoring our veterans is part of being an American, and as a representative in Ohio, offering my support for this bill is one small way I can show my appreciation to these brave men and women.

together not only to fix the damage but also to modernize the look to Ford's "Trustmark" specifications.

The dealership now is more than ready to serve people looking for a new or used vehicle.

The car lot opened in 1990 but it was not always a Ford dealership. Integrity bought the Ford franchise from Harry Phlipot in 1993. Nowadays they average about 600 vehicles per year in sales.

There are 12 employees who work in the Paulding facility, including sales people: Pete Vail, Jim Warren, Frenchie Britt, Rick Greear and Dennis Recker.

Throughout the years, Integrity has done some amazing fundraisers for the schools. Since they started Drive 1 4 Your School over \$20,000 has been donated.

Not only is this a great place to check out vehicles, stop in and see the remodeled facility on US 127 South in Paulding!

**IT TAKES A COMMUNITY TO SAVE A THEATER!**

Pictured here (l-r) are Phyllis Amaden, Huber Staff; Bob Breidenbaugh, Huber Opera House and Civic Center Board President, and Kiwanis Member; Scott Walters, The Hicksville Village Players Marketing Director; and Terina Wakefield, Actress/Cast Member, "A Wedding to Die For."

The Hicksville Village Players and The Kiwanis Club of Hicksville recently came together to discuss what the two organizations could do to help save the historic Huber Opera House and Civic Center located in downtown Hicksville. The two-story brick building dates back to 1882 when it was built, and opened as The Huber Opera House in 1885.

As with many historic buildings, The Huber Opera House has served multiple uses over time. For many years it was operated as the Mackey's Brick Hotel. The Opera House was later converted into a movie theater in the 1930's. The Huber Theater closed in the 1970's. Since that time, the building has been renovated, and is now known as The Huber Opera House and Civic Center.

and Civic Center when the theater group's board voted unanimously to forward the annual Kiwanis' donation directly to The Huber Opera House and Civic Center's "building preservation fund."

"It was an easy decision for us to make," said Michael Murphy, president of the Hicksville Village Players Board. "After all, The Huber Opera House is home to our productions, as well as a host of community and civic events. The building belongs to the Hicksville community, and we are committed to enhancing and preserving this historic landmark."

Drawing from the pool of talented actors, production crew, and stage hands, The Hicksville Village Players dedicated funds from its sold-out spring murder-mystery dinner theater production - "A Wedding to Die For." The play by Eileen Moushey was produced by special arrangement with Mysteries by Moushey, Inc. In collaboration with the Kiwanis Club of Hicksville, The Hicksville Village Players raised \$2,000 through the production's profits and organizational donations.

**INDIANA INTERNET: ENGAGING INDIANA'S FUTURE WORKFORCE THROUGH INTERNSHIPS**

More than just a catchy phrase, this workforce truth is the foundation for Indiana INTERNnet's work. Internships promote career readiness and lead to employment, thereby strengthening Indiana's workforce. It's a fact, and we have the success stories to supplement the research.

Indiana INTERNnet is a free internship-matching program linking employers, industry clusters and associations, individuals seeking internships, high schools, colleges and universities. The goal is simple: create and expand high-quality experiential opportunities within Indiana.

One initiative in line with this goal is Indiana INTERNnet's partnership with the Indiana Commission for Higher Education's EARN Indiana program. Through this program, employers can receive state matching funds—up to 50% of a student's hourly rate, which must meet minimum wage requirements—in exchange for hiring eligible students (those who qualify for state financial aid). Indiana INTERNnet's web site provides EARN Indiana with the Internet-matching technology tool to help students find relevant positions and employers post meaningful internship opportunities for free! All employers (both non-profit and for-profit) are encouraged to apply for EARN funding.

Internships are key to keeping young talent in Indiana. To the benefit of the students, internships promote job responsibility, experien-

tial opportunities and career exploration. To the benefit of the employers, internships increase organizational productivity, improve recruiting, broaden capabilities and inject enthusiasm into the workplace.

Transitioning interns into full-time hires is also a proven time- and cost-saving recruiting method. The overall conversion rate for turning interns into full-time hires is 48.4% according to NACE's 2013 Internship & Co-op Survey.

Indiana INTERNnet's online resource does more in addition to connecting employers and students for internship opportunities. The site offers an events calendar, college/university career center contacts, educational resources, video tutorials, e-newsletters, blog, agreement and assessment templates and an electronic version of Intern Today, Employee Tomorrow: The Indiana Employer's Guide to Internships.

With your free Indiana INTERNnet account, you can create a company profile, post internships and connect with students searching for internships. You can also access Indiana INTERNnet via Facebook, Twitter, Pinterest, YouTube and LinkedIn group.

**VW COUNTY FOUNDATION ANNOUNCES SUMMER MUSIC**

For twelve years, The Van Wert County Foundation, in cooperation with the Van Wert City Parks & Recreation has been presenting free concerts on Friday nights during the summer in Fountain Park. The fun returns to Van Wert's Fountain Park for a thirteenth season when the 2014 Fountain Park Summer Music Series will be offered for the public to enjoy.

Paul Hoverman, Coordinator of Performing Arts for The Van Wert County Foundation has announced the line-up which starts on June 6 during Van Wert's Peony and ArtRageous Festival. The ever-popular beach party band from California, Papa Doo Run Run kicks off the summer at 7:00 p.m. After a week off, the music returns to Fountain Park with San Francisco's electric fiddling virtuoso, Tom Rigney and Flambeau. Specializing in Cajun, Zydeco, Blues, and New Orleans music, they perform on June 20.

The world's best tribute band to the music of Chicago, Brass Transit returns to Van Wert on June 27. On July 4, celebrate America's Independence with the Lima Symphony Pops Orchestra in a Star Spangled American Celebration concert filled with surprises. The sounds of

Motown fill the air on July 11 when NBC TV's "The Winner Is" finalists, TOUCH come to town.

After a week off when the Van Wert Area Community Concert Band performs in Fountain Park on July 18, the music of Simon & Garfunkel will delight everyone, featuring Scarborough Fair by The Guthrie Brothers on July 25. The summer season is wrapped up on August 1 with the music of one of Rock's most endearing bands of all-time: Journey. Never Stop Believin' - a Journey Tribute Band from Florida will feature the incredible vocals of Donny Ferrari and his band. Experience the amazing line-up of hits that dominated arenas worldwide in the late 70's, 80's and 90's.

All concerts are offered free of charge to the public. Fountain Park is located on the west edge of downtown Van Wert at the corner of W. Main and Jefferson Streets. Food is available at all concerts. Attendees are encouraged to bring their own lawn chairs or blankets. All concerts are on Friday nights and begin at 7:00 p.m.

sentation abilities in order to become an Indiana State FFA Officer. Thirty-five other FFA members from other chapters around the state are also competing to be one of the seven State FFA Officers selected to serve on the Indiana FFA Association team.

Ben is the son of Mike and Sandy Gruber of Harlan, Indiana. Ben said, "I want to run because I want to teach other people what I have learned through FFA, and that FFA has importance for everybody; not just kids who will pursue a farming career." Some of Ben's goals include increasing FFA member enrollment and educating people's view on FFA and Agriculture.

Ben has won numerous proficiency awards for his SAE (Supervised Agricultural Experience) and placed very high in countless CDE's (Career Development Event) over the course of his Woodlan FFA career. Ben has completed and place as an individual and as a team on the Soils, Food Science, Nursery Landscape, Horticulture, Parly Pro, Entomology, Poultry, and Dairy Foods judging events.

Ben will start the State Officer Selection process on June 14, with the selection process finishing on June 16. The State Office Committee will post their slate of State Officer recommendations on Wednesday, June 18.

Woodlan Jr.-Sr. High School along with the communities of Harlan and Woodburn wish for Ben's dream to become reality.

By: Regan Clem, Riverside Christian Church

In a world that teaches pride in the guise of self-esteem, it's a difficult teaching to say that we aren't the most special person alive. But none of us are. Even more importantly, nobody is special enough or good enough to be right with God through their own strength, looks, money, or intelligence.

But what you are is loved. With all your faults. With all your problems. In the midst of your brokenness, you are loved.

In Japan, they have a practice called kintsugi:

"It's the art of fixing broken pottery with lacquer resin dusted or mixed with powdered gold, silver, or platinum. As a philosophy it

speaks to breakage and repair becoming part of the history of an object, rather than something to disguise."

"It is the embracing of the flawed or imperfect. Japanese culture values marks of wear by the use of an object over time. This can be seen both as a rationale for keeping an object around even after it has broken, and as a justification of kintsugi itself, highlighting the cracks and repairs as simply an event in the life of an object rather than allowing its service to end at the time of its damage or breakage" (excerpts from the wikipedia on Kintsugi).

Your brokenness makes you uniquely you. Despite the flaws being things that we may wish that never happened, they are what makes us who we are. God is a lot like the Japanese mindset that values an object that is broken and fixed. He loves us despite us being broken. And He fixes us.

Here's the thing with God's unconditional love. Being loved by God doesn't just apply to me. I'm not super special being the only one that is loved by God. Everyone is loved by God.

This is the heart of the gospel message. God loves you despite you being broken. He knew you would be broken and He still paid the price for you to be right with God. Yet He did the same for your neighbor. And He wants you to love your neighbor despite them being broken just like He loves you despite your brokenness. He knew we would all be unfaithful, yet He still came down to earth to show us how to live. This wasn't because of our greatness; this was because of His great love. This is the message we need to share with the world through both our words and action, all in love.

I find myself playing out of tune with God at times. I get distracted. Lose focus. Start worrying about things of this world rather than things of God, yet I am called, as are all of us, to be primarily spreaders of the love of God to others. That is our primary occupation whether we receive a paycheck through any other full-time occupation. No matter what our paying occupation may be, our primary occupation, if we claim to be Christians, is to spread God's love and bring about His will here on earth as it is in heaven.

The problem with the church today and the world around us is that many just claim to follow Jesus, yet they

don't make following Jesus their life. This is ridiculous because we can't fool God. He knows whether we have given him our lives or not. He sees our heart.

After David had his affair with Bathsheba, he wrote a song. This is the David who God loved because David was a man chasing after God's heart. Yet David wasn't perfect. He made some serious mistakes. And having an affair with Bathsheba and having her husband killed was one of the worst. Yet this is what he said to God after facing the seriousness of his mistake.

"You would not be pleased with sacrifices, or I would bring them.

"If I brought you a burnt offering, you would not accept it.

"The sacrifice you want is a broken spirit.

"A broken and repentant heart, O God, you will not despise." Psalm 51:16-17 (NLT)

David knew what God wanted. God wanted his heart. All of him. His passion. His focus. His goals.

He wants the same from us. Yet we get distracted.

I get focused on this or that. I stop trying to love others, and I become self-absorbed. Maybe you find yourself doing that at times too. When we fail, we need to be like David. He turned right around and gave God his heart.

We start to forget that we are all broken vessels who have been put back together by God for use by Him. We begin, once again, to think that it is all about us. We deserve what we have. We deserve to be selfish with our blessings.

But it's never about us.

We can't forget that.

It's never about us. Everything gets messed up when we start to think things are about us.

Our society teaches us to look out for ourselves first—that our needs and wants are the most important things to be met. And we all know that in following Jesus and getting right with God, our lives will have to be surrendered from loving ourselves to loving God and loving others. Our life will no longer be about us. It will be about Jesus.

The most baffling thing is that at the end of the day, loving God and loving others is actually the most loving thing we can do for ourselves. In giving ourselves up, we will find true purpose. In emptying ourselves for others and allowing God to refill us, we will find true contentment. In denying ourselves and living for God's higher vision, we will find true meaning. If you don't believe me, try it this week. Take twenty dollars and spend it on someone that you would never spend it on. They may think you're weird, but they will appreciate the gift. And you will also appreciate the giving. And in that, you may just find God.

DADDY, WHAT DOES IT FEEL LIKE TO DIE?

Winning the Battle for a Generation by: Rick Jones, Defiance Area YFC

What would you say if a young child or a young man or woman were to ask you, "What Does it feel Like to Die?"

Dr. Larry Pelton wrote the following about a question to a young pastor whose child was dying and one night the little boy asked his father, "DADDY, WHAT DOES IT FEEL LIKE TO DIE?"

I heard the compelling story of a young pastor whose son was very sick and not expected to live long. Night after night the pastor and his wife would put their boy to bed and say a prayer hoping for a miracle. One evening, the boy looked at his father and said, "Daddy, what does it feel like to die?"

The father struggled to speak a word. He said a quick prayer for courage, put his hand on the face of his child and said, "Son, it's something like this. Night after night you go to sleep on the couch watching your favorite TV shows. You don't know it, but I find you asleep and come and take you in my arms and place you in the room I built for you with my own hands."

The young pastor could barely finish.

"And, son, one of these days... you are going to fall asleep here, but don't be afraid. Jesus is going to come and pick you up and take you to a special room He has built just for you."

For those seeking comfort or answers to their questions about their eternal destiny we have the words of Jesus to encourage men, women, young people and children who have placed their trust in Jesus Christ as their Savior. The scriptures remind us of Jesus words... John 14:1-2 (NIV), "Do not let your hearts be troubled. Trust in God; trust also in me. In my Father's house are many rooms; if it were not so, I would have told you. I am going there to prepare a place for you..."

This past year some of Youth for Christ staff have been called to minister in situations where a young person had suddenly passed away. It was a great encouragement to them and the ones they're consoled when the loved ones who have died were been prepared to meet the Lord Jesus.

I am grateful that our ministry team has been able to share the words of Jesus, "I go to prepare a place for you..." for those seeking answers to their eternal questions. I pray for those reading this article that you have assurance of eternal life through faith in Jesus Christ. If you do not have that peace, that assurance, what are you waiting for?

BIBLE QUESTIONS

By: James Potter, Oakwood church of Christ

- 1. Luke 12:41 - What did Peter ask Jesus in this verse?
2. Luke 12:41 - Does this include just the disciples or all people?
3. Luke 12:42 - Who is a wise and faithful servant?
4. Luke 12:43 - When the Lord comes, how should he find His servants?
5. Luke 12:45 - What does this mean, beat the men servants and maid servants, eat, drink and be drunken?
6. Luke 12:46 - What does this emphasize "the Lord shall come?"
7. Luke 12:46 - What does this mean cut him asunder?
8. Luke 12:49 - What does the word fire mean here?
9. Luke 12:49 - What does this mean already kindled?

10. Luke 12:49 - What would preaching the Gospel cause?

Comments or questions? Call James Potter at 419-393-475 or email me at jsp1941@yahoo.com you can also call Lonnie Lambert at 419-399-5022. Jesus loves you and so does the Oakwood church of Christ.

Answers to questions above:

- 1. Speakest unto us or all.;
2. It includes all.;
3. All who serve the Lord faithfully;
4. Should find them doing the Lords work and being prepared for His coming;
5. Undisciplined conduct.;
6. This is the certainty of His coming.;
7. To punish with terrible severity.;
8. The Gospel.;
9. The conflict that preaching the gospel would cause.;
10. Division

Nowhere in the Bible does it teach that Christ will set up a kingdom on earth. In Revelation chapter 20, the thousand years it is talking about the binding of Satan as we see in Luke 11:21.

In Revelation 12, the 1,260 days and the 1,000 years are not literal. Both of these refer to the time after His death and when He comes again. You might ask, how is Satan bound? He is bound that he cannot destroy the Bible, also he cannot tempt a true child of God more than he is able to bear. God will always make a way of escape.

Ol' Baldy says bye for now, but please continue to pray, read and study the Bible. "Luv Ya!"

LETTER TO THE EDITOR

I am writing to express my extreme disappointment in the Library levy failing to pass once again. My children and I make weekly visits to the Cooper Community Library (a branch of the Paulding County Library).

A few years ago my oldest daughter and I went to a Mommy and Me class for learning how to make hair bows. I thought going would just be something fun for my daughter and I to do, and a way to spend time together. Little did I know two years

later it has turned into a business for me. Now, I get to brighten little girls lives daily all because of the Cooper Community Library Branch and all they do giving back to the community!

My children learn so much and love going to the library. They both attend different classes there such as story time, book club, cooking class, movie nights and that is just to name a few. Might I add, all for FREE to the community.

Teaching our children to love reading is very important and a tool they will use for the rest of their lifetimes. We need to invest in programs that invest in our children and the community and that is exactly what the Library does! The best way to do this is to pass the library levy. So I ask you all to stand with me and vote Yes this November!

LETTER TO THE EDITOR

On May 29<sup>th</sup>, my wife, Kay, and I attended the Antwerp Community Band Spring Concert. This event was held in the beautiful Antwerp School. As always the ACB concert was just great. My favorite parts were the Sousa selection and the American Jazz medley. Director Steve Hahn and the members of the ACB are real gems of Antwerp. I'll be watching the newspaper for the next concert—it is something I certainly don't want to miss.

STAMP OUT HUNGER

The Stamp Out Hunger food drive in New Haven is over and once again we are humbled and overwhelmed with the generosity and hard work our volunteers displayed during the event.

"We could not do it without our volunteers," said Gretchen Barnett, Volunteer Coordinator for Associated Churches.

Many people are in this

listing: postal workers and postal customers alike who both worked this event and who so graciously left bags of food by the mailbox to help feed the hungry in our area.

This food drive exemplifies our slogan... 'Together for the Greater Good.' When we work together, we can really STAMP OUT HUNGER in our community!

LATTA SHARES VETERANS' EXPERIENCES WITH CHAIRMAN MILLER, RANKING MEMBER MICHAUD

Following Tuesday's veterans town hall meetings in Perrysburg, Findlay and Defiance, Congressman Bob Latta (R-OH) sent a letter to House Veteran's Affairs Committee Chairman Jeff Miller (R-FL) and Ranking Member Michael Michaud (D-ME), sharing the issues Northwest Ohio veterans have had when navigating the Department of Veterans Affairs (VA).

"After hearing from Ohio's Fifth Congressional District veterans and reading the OIG preliminary report, it is evident that the issues within the VA are systemic," said Latta. "The VA's actions are horrific and those responsible must be held accountable. While Secretary Shinseki's resignation is a good first step, it will not solve the problems that clearly permeate the VA. As a Nation, we owe our veterans the highest quality care, and it is incumbent on the President, as this is his Department, to take responsibility for the actions that have occurred and hold those accountable."

"The care of our veterans is neither partisan nor political. Both Republicans and Democrats have attempted to get answers from the VA through numerous Congressional hearings, at which the Department has not been forthcoming and at times even misleading in its answers. Therefore, while we will continue to conduct rigorous oversight over the VA, it must also be truthful about the conditions at the Department, so we can implement needed reforms to eliminate this unacceptable culture of mistrust and complacency."

"At home, I also encourage veterans to continue to contact me regarding issues with the VA. What happened is absolutely unacceptable, and we will get to the bottom of this."

**A DREAM THAT CAME TRUE**

By: Stan Jordan

Here is a true story that came across my desk the other day. Please take the time to read it. It is about a happy girl and a dream that came true. Her name is Dema Ann Saxton. There were six in the family.

She attended school at Blue Creek, Melrose and graduated from Antwerp High in 1973. She works at Paulding Putnam Electric Cooperative. Her hobbies are crocheting afghans and learning to quilt; learning new things and keeping her dream goals. At the electric company she does house-keeping and maintenance shores.

"When I was 2½ years old, I was in a car accident with my parents and three brothers. During the car accident we lost my mother and I ended up with a brain injury. After that my grandparents Hank Doster and Glattis Doster raised me. They always took care of me and made our favorite dishes.

"I had a dream that I didn't think I would ever be able to get out in the workforce. This was a dream of mine that I never thought was going to happen, and then I was offered a job at Paulding Putnam doing janitorial work. I was so tickled and excited that I called everyone I knew and told them about my new job. My second dream I had was to live on my own in a house. Grandma always told me that I didn't make enough money to live on my own. By getting this job at Paulding Putnam I was able

to make enough money to live on my own. So by getting this job at Paulding Putnam it allowed for two of my dreams to come true; one of having a job in the community and two being able to make enough money to live in my own house. It's all due to George Carter for giving me the opportunity to work for Paulding Putnam and allowing me my dreams."

Ms. Saxton has some ad-

vice she would like to offer to others: "Whatever your goal or dream in life is, don't ever give up on it. Someday it will come true for you too.

"With the help of the Good Lord, he had a plan for me in my life. Everything that I've accomplished in my life I have him to ultimately thank for all my dreams coming true."

As I understand, the government funding that makes this possible for Dema to have a job is going to stop. I would like for the funding to be continued. Her being self-sufficient is good for a number of people.

Some government funding is sort of a waste, such as—a four lane highway to nowhere, a million dollars to study the sex life of the bull moose and the line of travel of the whooping crane—but in this case it is money well spent and I would like to see it continued.

**BRYAN GRAY GRADUATES WITH D.O. DEGREE FROM DES MOINE UNIVERSITY**

Continuing a tradition started in 1899, the College of Osteopathic Medicine awarded the doctor of osteopathic medicine degree to 221 graduates. The college also conferred the master of science in anatomy and master of science in biomedical sciences degrees to 12 graduates. The College of Podiatric Medicine and Surgery awarded the doctor of podiatric medicine degree to 53 graduates. The College of Health Sciences recognized 249 graduates from five programs - doctor of physical therapy, post-professional doctor of physical therapy, master of science in physician assistant studies,

master of public health and master of health care administration. Some students earned dual degrees.

Bryan Gray, D.O., son of Jim Gray and Karen Gray, of Antwerp, graduated with his Doctor of Osteopathic medicine. Graduates of the Osteopathic Medicine Program earn a doctor of osteopathic medicine (D.O.) degree. They complete a comprehensive four-year medical education program, including 18 months of clinical training.

Senator Tom Harkin delivered the commencement address. Senator Harkin has represented Iowa in Congress for nearly 40 years. He has championed critical legislation that improves lives, working to transform America into a "wellness society" focused on disease prevention, healthier lifestyles and good nutrition. His hallmark legislation, the Americans with Disabilities Act, changed the nation's landscape by requiring buildings and transportation to be wheelchair-accessible and workplaces to accommodate people with disabilities.

**KAYAK/CANOE SAFETY TRAINING**

A kayak and canoe safety training program is being held June 14, 2014 from 1:00 to 4:00 p.m. at the pond at 7092 Road 205, Oakwood, OH (1.1 miles South of the junction of OH 66 and OH 613 on the East side of the Auglaize River). This will be a fine opportunity for paddlers of all ages to learn or brush up on their techniques before the Kayak/Canoe Races on the Auglaize River sponsored by the Oakwood Development Company the next weekend. See details at [www.odcoho.org](http://www.odcoho.org).

Instructors are Cory Hartman and Kim Sheets, DNR Watercraft Officer Specialist. Cory is out of the Maumee Bay Field Office. He has worked for the Division of Watercraft for 11 years and is certified as an American Canoe Association Kayak Instructor. Kim is out of the Wapakoneta Office. She has worked for the Division for 10 years and is certified as an American Canoe Association Canoe Instructor.

There will be one instructor to four students for one-hour secessions in the water covering basic equipment, safe carrying techniques, launching and landing the boat. Also provided will be training in basic strokes including forward, reverse, stopping and maneuvering

**MEMORIAL DAY IN ANTWERP 2014**

By: Stan Jordan

True to custom we went down to St. Mary's Center and had pancakes and sausage with the Rotary Club. They are raising money to improve the tennis courts down beside the town hall. The food was good and the service was great. After a short parade down the flag-lined River Street, everyone journeyed down to the Veteran's Memorial at the park. The Antwerp High School Marching Band, under the direction of Mrs. Andrea Newell, played The Patriotic Parade Sequence, the Salute to America's Finest, and the Star Spangled Banner. The band looked good and sounded great. The speaker of the day was

John Lichty from Payne, a Marine veteran who served a couple of tours in Iraq and that troubled area. He is the Veteran's Service Officer for Paulding County. John was a rifleman and a squad leader over there. He was also was an advisor to the Iraq army. He was a weapons expert. He was awarded two purple hearts.

The park was mowed and trimmed very nicely by the city employees. The cemeteries were also flat out beautiful, being taken care of by Pudge Kennedy and Gary Gross.

There was refreshments for everyone at the VFW and free ice cream down at the Ice Cream Depot.

**OAKWOOD GLEANER LIFE INSURANCE SOCIETY  
ARBOR #759**

Pictured here are the Oakwood Gleaners community service volunteers Deedie Miller, Aaron Horstman, Thomas Keller, and Bonnie Pier.

May has been a busy month for the Oakwood Gleaner group. We worked with the boy scout troop #19 on cleaning the Buckeye Trail for three miles for the Join Hands Day activity on May 23. We read to K-2 students at the Oakwood Elementary on May 15. We provided an ice cream treat for the 3<sup>rd</sup> graders that were preparing the town's Memorial Day program.

John Manz, a Gleaner Life Insurance agent gave us a report on the necessity of getting life insurance at an early age. This was called Mission For Life (MFL). On May 22, we honored our community service volunteers in three age groups. The youth was Aaron Horstman; adult was Deedie Miller; senior was Thomas Keller; Arbor volunteer was Bonnie Pier.

We are planning a water safety course for kayak and canoe on Saturday, June 14 1:00-4:00 p.m. The kayak/canoe launched at Doug Wellers on 24687 Rd. 207 on the Auglaize River south of Oakwood. There will be Regatta on June 21 there.

We have a Caring Hands project to finish. We voted to buy new library books for the Oakwood Elementary School. We are also looking into a bike rack for the ball park.

On Monday July 28, we are sponsoring homeschoolers to go to a Fort Wayne Tincaps baseball game at 7:00 p.m. Phyllis Bidlack is the contact

person.

Ruth Benien reported The Ohio State is sponsoring a Mud Hens Game on June 28 and the state picnic on July 26 at the Lighthouse in Findlay.

Our Gleaner activities are on line at [www.odcoho.org/gleaner](http://www.odcoho.org/gleaner). This is under Oakwood Development Company.

We have #3 road side pick-up on June 19 at 9:00 a.m.

Our next meeting will be with the Gardens of Paulding on June 26 at 6:30 p.m. Mary Lou Lloyd will have prizes and Karen Cooper the refreshments.

**MAKING A DIFFERENCE  
AWARD WINNERS RECOGNIZED AT NSCC'S GREEN CARPET EVENT**

It was an evening of laughter, food and fun for nearly 200 guests who recently enjoyed the annual Green Carpet Event hosted by the Northwest State Community College Foundation. The highlight of the evening was the fifth annual Making a Difference Awards, which showcase a local businesses, organization and individual. In addition to the fun and recognition, the event raised over \$49,000 for student scholarships at Northwest State.

"The Making a Difference Award was established in 2010 to honor outstanding

community partners. These businesses, organizations and individuals have made significant contributions to the five-county area through employment, service, leadership and more," said Robbin Wilcox, NSCC director of development. "This award reaches beyond Northwest State itself and is truly about how these community partners have a made a difference in the communities that Northwest State serves."

The Making a Difference Award was presented in the categories of organization, business and individual. The recipients included: Wauseon Rotary Club, Rupp Seeds, Inc. and John Wilson.

Service above self is the motto for rotarians around the world, and it is something the members of the Wauseon Rotary Club have put into action. Founded in 1962, the Wauseon Rotary Club consists of men and women who work to support and improve the local community. The Wauseon club has set the tone in northwest Ohio as fundraisers, project partners and volunteers who can successfully complete major service projects. The club's largest project to date is Dorothy B. Biddle Park, a 78-acre recreational park in Wauseon containing baseball and softball fields, basketball and volleyball courts, soccer fields and a football field. Starting with a \$1.25 million donation from Dorothy Biddle, the Wauseon Rotary Club raised an additional \$1.7 million dollars to make the park a reality. In addition to local projects, the club has made an impact abroad through partnerships with Rotary International's End Polio Now campaign and the Archbold Rotary Club's Haiti water project.

For three generations, Rupp Seeds has served farmers at home and around the world. This family-owned business, headquartered outside of Wauseon, Ohio, was founded in 1946 by Sylvan Rupp. The company got its start selling corn seed, soybean, wheat and oat varieties to local farmers. In 1985, with Sylvan's son Roger at the helm, the company expanded into the vegetable seed market. Rupp Seeds now offers numerous varieties of specially-bred seeds and caters to smaller growers. In addition to the local market, Rupp has customers throughout the United States, Canada, South America, Europe and Africa. Rupp Seeds is committed to supporting communities both locally and afar, donating corn to Africa, giving vegetables to area senior centers and supporting local FFA, music and arts programs.

John Wilson has an extensive list of personal and professional accomplishments, but the common theme in all he does is reaching out to people and making a positive impact in their lives. He is an advocate for education, beginning his career as a teacher and later serving as an administrator for both Four County Career Center and what was then Northwest Technical College. He has changed countless lives through his work in human resources and many volunteer positions, including Gideons International and the Bill Glass Champions for Life prison ministry. Wilson is a decorated veteran of the U.S. National Guard, a consultant for numerous international

companies and deacon and chairman for his church.

The Green Carpet Event included a silent auction, raffle and entertainment by Kerry Patrick Clark and the Cakewalkin' Jass Band. "This event would not be possible without the generosity of guests and businesses from throughout northwest Ohio," said Peter Beck, chairman of the NSCC Foundation. "Eighty-five percent of Northwest State's graduates stay in northwest Ohio and contribute to the local economy, so the scholarship money raised through this event helps students, as well as the future of our region."

This event will benefit the Green Carpet Event student scholarships. Sponsors of the evening included: Altenloh, Brinck & Co. U.S., Inc., Archbold Container, Archbold Equipment Company, Automatic Feed Company, The Black Lantern, Ltd., D&R Continuous Improvement, Farmers & Merchants State Bank, Fifth Third Bank, First Federal Bank, German Mutual Insurance Company, Gordon Food Service, Haas Door Company, Huntington Bank, Mercy Defiance Hospital, Mercy Defiance Clinic, METZGERS Printing + Mailing, Parkview Physicians Group, ProMedica Defiance Regional Hospital, Rupp Seeds, Inc., Sandra K. Barber, Sauder Manufacturing Company, Sauder Woodworking Company, SJS Investment Consulting, Inc., Shultz Huber & Associates, Spangler Candy Company, State Bank, and Swanton Welding & Machining Company, Inc.

**MOVING WALL VIETNAM  
MEMORIAL WILL BE IN  
DEFIANCE**

By: Sally Whitford

This week there are some fun events on the Square for young and old alike to enjoy.

On June 4<sup>th</sup> from 4:30-6:30 p.m. The United Methodist Men will hold their 30<sup>th</sup> Annual Chicken BBQ on the Square, with the United Methodist Women providing the desserts and ice cream. For more information call 419-636-6721.

Beginning this week, on June 4<sup>th</sup>, is another summer weekly event around the Square. Each Wednesday at 8:00 p.m. the Bryan City Band directed by Terry Krause will perform concerts at the Gazebo on the south side of the Court House Lawn. So bring a lawn chair or blanket and enjoy not only the music, but seeing old friends and making new ones.

Don't forget the next night, Thursday June 5<sup>th</sup> will be the weekly Cruise'n at 6:00 p.m. around the Square.

I noticed last week that even though the Farmers Market doesn't officially open until July 5<sup>th</sup> there were a few farmers there on the Square with some early spring produce and baked goods.

The Moving Wall-Vietnam Veterans Memorial will be in Defiance on June 12-15 for the 50<sup>th</sup> Anniversary. Beginning at 9:00 a.m. June 12<sup>th</sup>, the Wall will begin its journey with its Motor Cycle Escort to the Defiance College Campus from the K of C parking lot on Elliot Road, moving east onto US 24 heading west to the Baltimore Rd. exit. It will then move down Baltimore Rd. to Holgate Ave. turning north onto Clinton St., and then it will continue on Clinton Street to Stadium Drive to its final destination on Webster Street between McReynolds and Whitney Halls. This is where it will stay for the three-day event. Erin Clady, Administrative Assistant at

the Defiance County Veterans Office, was so helpful in getting all this information for the route of the Wall through Defiance.

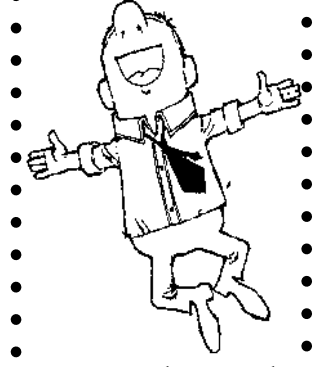

The Wall will be open at 2:00 p.m. on Thursday June 12<sup>th</sup> and will remain open 24 hours a day through the 15<sup>th</sup>. On Sunday at 6:00 p.m., there will be a ceremony at the Wall to commemorate the 50<sup>th</sup> anniversary of the war. This will include the laying of several wreaths and reading of names all of which will be open to the public. There are also many other related events that will take place on the Defiance College Campus during this time that are free and open to the public. Information on these can be obtained at the Welcome and Information Tent located between McReynolds and Whitney Halls.

The Wall will be disassembled and leave Defiance on June 16<sup>th</sup>.

The Wall represents not only those who gave their all, but it serves as a reminder of such an important time and pivotal event in our history.

Please be sure to attend this event, it is such an opportunity to honor those who paid the ultimate price.

WEST BEND NEWS – JUNE 4, 2014  
**WAYNE TRACE WINS REGIONAL CHAMPIONSHIP – NOW IN FINAL FOUR**

**Wayne Trace 2014 Softball team captures the Regional Final Title. More pictures at westbendnews.net**

Following the Regional semi-final win against New Riegel, the Wayne Trace Raiders took on the Lakota Raiders at the Findlay Marathon Diamonds on Saturday, May 31 at noon. The last time the Raiders made it this far was in 2010 but they were defeated in the final game by New Riegel.

The home team (Wayne Trace) went into this game not having a perfect record and may be this was for the better. The ladies knew this would be a difficult game, especially at this level in the tournament. Would they be able to play at the level of their opponent at this stage of the tournament? The game started with Addison Baumle striking out two of the other Raider starters in the first inning. This inning was the period that made the difference for the entire game. In the bottom of the first, with two outs on the board, Wayne Trace's Libby Stabler got the first hit and scored the first run. Bailey Bergman got the second hit and run. It looked like Wayne Trace was going to run away with this. Lakota called a timeout in the game for a talk with the players and it must have helped. No more runs were given up to Wayne Trace.

Up to the seventh inning the scores held steady at 2-0. Lakota scored in the seventh with another runner on third poised to score again. The Wayne Trace defense caught the ball in right field finishing the inning and the game finished 2-1 in this close match and the home team didn't go to bat in the last inning.

The Lakota Lady Raiders finished their season 20-8 and were sad to be sent home with the runner-up trophy.

This is the third time Wayne Trace had been to the Regional Championship game. In 2010 Marcie McDougale was the Raider pitcher but they didn't make it past the final game. She was here this year cheering on her predecessors as they continued and pushed further, winning their first Softball Regional Championship ever! These girls are excited to move on to the Firestone Stadium in Akron, Ohio in Division IV on Friday, June 6 at 10am for the State Semi-Final game.

Reminders of the football team going to state, Boys Basketball at Regionals, and now softball prove this is some of the best athletes Wayne Trace has ever had.

Coach Jack Baumle said these girls certainly deserved it, "We started well today but our batting lost it after the first inning. Luckily our defense and pitching held strong." Addison, with an amazing nine strikeouts, stated, "We

proved we can do this. We've been looked down on, but we proved it!"

Score by the Inning:  
 Lakota - 0 0 0 0 0 1=1; 5H, 1E

Wayne Trace - 2 0 0 0 0 0=2; 7H, 2E

Winning Pitcher - Addison Baumle (7 innings, 5 hits, 1 run, 2 earned run, 9 strikeouts, 1 walk)

Losing Pitcher - Morgan Gangwer (6 innings, 7 hits, 2 runs, 2 earned runs, 3 strikeouts, 0 walks)

Wayne Trace Hitters - Brenda Feasby (two singles), Libby Stabler (two singles, run), Bailey Bergman (single, run), Carley Wright (single, RBI), Addison Baumle (single, RBI)

Lakota Hitters - Nikkia Cooper (single, double, RBI), Alaina Bickford (single), Destiney Long-Myer (single), Brianna Ray (single, RBI)

gional Semi-Final softball game on Wednesday, May 28 in Findlay against New Riegel, who won against Carey.

No one would have thought the game would have been so low scoring, but that is exactly what happened on this diamond. Very few hits, and many outs. There were times in the early innings where The Yellow Jackets were near to scoring but the Lady Raiders successfully zapped the action.

The sixth inning was the game changing period for the home team. Mackenzie

Swary got on base after getting a hit and stole third. Brenda Feasby, next up at bat, hit a fly foul with first the first baseman catching the pop fly. Libby Stabler then hit the ball, getting the only double in the game and Swary runs in to score the first and only point of the night. The home team crowd went wild! With the next hit Libby slid in at home, but was called out by the home plate umpire and the seventh inning began (see the pictures and judge for yourself).

The Yellow Jackets were at bat next in the seventh inning. The Lady Raiders successfully held their one point lead after getting the third out, winning the game 1-0.

Coach Jack Baumle was very ecstatic about the team winning. Coach became emotional while explaining how proud he is of the seniors and the rest of the team. "They really have come a long way and they deserve it."

In 2010, the Jackets stopped Wayne Trace at Regional finals game and the girls remembered how they wanted to get the win back. Job completed for Raider Nation!

Score by the Inning:  
 New Riegel - 0 0 0 0 0 0=0; 3H, 1E

Wayne Trace - 0 0 0 0 0 1=1; 3H, 2E

Winning Pitcher - Addison Baumle (7 innings, 3 hits, 0 runs, 8 strikeouts, 0 walks)

Losing Pitcher - Taylor Kirian (6 innings, 3 hits, 1 run, 1 earned run, 2 strikeouts, 0 walks)

New Riegel Hitters - Morgan Noftz (single), Kara Scherger (single), Lauren Zoeller (single)

Wayne Trace Hitters - Carley Wright (single), Mackenzie Swary (single), Libby Stabler (double, RBI)

This was probably the fastest game of the season, lasting only 69 minutes.

Wayne Trace (21-7) advances to the Division IV regional championship at Findlay on Saturday. Game time is noon.

New Riegel closes the season with a record of 25-5.

**MUNCH FOR FREE LUNCH KIDS PROGRAM BEGINS**

Hey kids! Join Munch for Free Lunch June 9 through August 14 (Monday-Friday, except July 4). This program will be offered at the LaFountain Park in Paulding, 700 Lincoln Avenue.

Munch for Free Lunch is free healthy meals for children 1-18. Lunch will be served 11:30-12:30 and prepared by the Paulding County Senior Center. Fun activities are planned each day from 12:00-12:45. These are provided by a variety of volunteers and local organizations (an adult should accompany children under 5 years old).

The Summer Food Service Program is sponsored by the Northwestern Ohio Community Action Commission with funding provided by the United Way and the USDA (administered by ODE) For

more information, call Nicholas Weber at 419-784-5136 or send an email to nweber@nocac.org.

Junction Bible Christian Church will be providing transportation by church bus to this program on Tuesdays and Thursdays from the church campus in Junction.

Parents will be able to drop their children at the church as early as 10:30 a.m. (bus leaves at 11:10) and pick up their children as late as 1:45 p.m. (bus arrives at 1:05).

The children will remain under continual supervision by church staff and volunteers while they are on campus, in transit, and at the park.

To register for this transportation and extended supervision program, please contact Junction Bible at (419) 393-2671 and tell us the children's name(s) and give us a good contact name and number so that we can call and verify the information.

On the first day of their use of this program you will be required to take a moment to complete a brief form for records.

# ANTWERP'S 6<sup>th</sup> GRADE FITNESS CLUB COMPLETES SEASON WITH 5K

Antwerp School completed the Fitness Club for sixth grade students this spring. This program was started with the sixth grade students to promote fitness and health and to give them an activity that is only for their grade. Sixth grade is considered part of the middle school although they are not able to participate in organized sports. The Fitness Club allows these students to meet and exercise together, and understand about being part of a team.

The Fitness Club started on April 15<sup>th</sup>, and had an average of 11 sixth grade students meeting every Tuesday and Thursday from 3:00-4:15 p.m. During this time, the students played running games at the practice ball field including scatterball,

capture the flag, and kickball. They also went to the track to run relays and work on distance running.

The goal of the Fitness Club is to work on running and be prepared to run a 5K. Jama Cline, school nurse and 'coach' of the Fitness Club thought it would be exciting for them to participate in a 5K here at the school. Mr. Bute and she arranged for the students who have been participating in the Fitness Club to run a 5K on May 27. Donations were received from various donors for t-shirts (Langham's), ice cream treats, fruit, water and monetary donations for the 5K. Paulding County Hospital donated \$200 for t-shirts for the participants and Riverstreet Market donated water for the participants. Dairy

Queen donated Dilly Bars as a treat for after the race. Antwerp Subway supplied cookies. The Rootbeer Stand also donated hot dogs for part of a lunch after the 5K. The Wholesale House in Hicksville donated money for a \$25 Visa gift card for the student that participated the most by coming to every meeting after school (Sydney Miller won this award).

Mrs. Cline commented on this season's experience, "I have enjoyed working with the sixth grade class in this project. Amanda McDorman has been my helper on Thursdays and Jessi Getrost has been my helper on Tuesdays. Cord Ehrhart also helped organize and run the 5K. Together we have worked to promote health and wellness with the students."

# LATTA HEARS OHIO VETERANS' CONCERNS FIRST-HAND

Congressman Bob Latta (R-OH) held three listening sessions throughout Ohio's Fifth Congressional District yesterday in an effort to hear veterans' experiences with the Department of Veterans Affairs (VA) and assist with any issues or concerns they may have. At the events, which were held in Perrysburg, Findlay and Defiance, Ohio veterans detailed stories about the current lengthy wait times, inadequate care and the lack of communication between various sectors of the VA, among other issues.

"Today's veterans' listening sessions were an opportunity for me to hear directly from our veterans to see how I can help resolve the delays and problems accessing care that they face at the VA," said Latta. "Tragic events across the country reinforce what can happen if the current trend continues with veterans forced to wait not days, not months, but years to receive the care they have earned in service to our country. This is absolutely unacceptable, and I will do everything in my power to not only resolve the issues I heard, but also prevent these injustices from happening to our nation's heroes in the future. By sharing this information with my colleagues in the House, I also look forward to working with them to take whatever steps may be necessary to fix our broken VA health care system."

At the events, Congressman Latta's office was also onsite to assist veterans with casework. The office can work with veterans and the VA to help resolve claims and issues with benefits.

**FREE YOURSELF FROM CYCLE OF EMOTIONAL INVESTING**

**Financial Focus by: Gabe Pollock, Edward Jones Advisor**

In many areas of your life, you're probably aware that it's useful to keep emotions out of your decision-making — and that's certainly the case with investing. However, it can be difficult to keep your feelings from influencing your investment decisions. But you may find it easier to invest with your head, rather than your heart, if you know a little something about two different cycles: the market cycle and your emotional cycle.

Let's start with the market cycle. If you've been investing for a while, you're aware (probably highly aware) that the financial markets are rarely static — they are always moving up and down, at least in the short term. (Over the very long term, a period of many decades, the markets have trended up.) But these short-term movements, while perhaps appearing as "zigs" and "zags" on a daily basis, actually form a pattern, or a cycle, that can last for months or years. These cycles are known as bull (up) or bear (down) markets. Going back to the Great Depression, the average bear market has lasted 21 months, while the average bull market has extended for 57 months, according to research from Standard and Poor's Index Services.

These market cycles greatly influence investors' attitudes and behavior. In fact, they lead to the formation of investors' emotional cycles. During

bull markets, investors tend to feel optimism, excitement and even euphoria. But once a bull market ends and a bear market begins, investors start getting nervous. And the longer and deeper the bear market, the greater the depth of emotion felt by investors. These emotions can begin as anxiety and then progress to denial, fear, desperation and panic.

Furthermore, market cycles and emotional cycles don't really align. For example, investors may well experience euphoria when the market has reached its high point and a bear market has just begun. For a while, then, these investors, fueled by their euphoric feelings over the big gains they've achieved, may continue pouring money into the market, even as it's declining. This type of behavior, though, is probably better suited for when the market is already at a low, when investors' dollars will buy more shares. Conversely, investors may reach the peak of their fearfulness at the end of a bear market, just when things are about to turn around. At this point, their fear may hold them back from investing — even though, with prices low, it can be a good time to invest. Clearly, basing investment decisions on emotions can lead to poor choices.

So don't get caught up in this pattern. Instead, strive to follow a disciplined approach to investing. Build an investment portfolio that reflects your objectives, risk tolerance and time horizon, and seek to hold appropriate investments for the long term. Of course, you may well need to make adjustments along the way, but do it for the right reasons — such as a change in your goals or in the investments themselves — rather than as a reaction to the current market cycle.

Our emotions are powerful, and their power can increase when applied to such a meaningful aspect of our life as our finances. But if you can detach yourself, as much as possible, from the emotional cycle of investing, you can avoid considerable angst — while helping clear the path to pursue your goals.

**iAB FINANCIAL BANK NAMED TOP 25 WITH UNITED WAY**

iAB Financial Bank was recently named a Top 25 Workplace Campaign, as well as a Top 25 Corporate Giver for the United Way's 2013-2014 Community Campaign. Employees designated personal funds as a way to illustrate their commitment towards partnering with community non-profit organizations. Over 130 iAB employees committed \$27,450 in funds, and a corporate gift of \$12,500 was made to total a nearly \$40,000 donation to infuse the community with opportunities in order to help them succeed and grow.

"As an employer of choice, the employees of iAB remain committed to reaching out into our communities to make a difference by partnering with such organizations as the United Way," stated Michael Marhenke, iAB President and CEO. "Together, we can make a difference. That's the power in partnership."

iAB Financial Bank, a wholly-owned subsidiary of Independent Alliance Banks, Inc., is one of the largest locally-owned community banks in the area and employs approximately 285 people throughout Allen, Huntington, Wells and Grant counties.

**PAULDING PUTNAM ELECTRIC CEO NAMED GRAND MARSHAL FOR ANNUAL JOHN PAULDING DAYS PARADE**

The Paulding Chamber of Commerce names George Carter as this year's Grand Marshal. George has played a key role in our community. He has served on various boards always making an impact. Chamber Director Erika Willitzer says George is a perfect choice. A Grand Marshal should be someone that is a strong leader... a true leader and George is just that. Willitzer goes on to say, "I've always thought a great leader is someone that isn't afraid to get into the trenches with volunteers or employees, and I've seen first hand how George has served and volunteered for the county of Paulding and this is why I think he is a perfect choice as Grand Marshal."

Mr. Carter has worked in the electric industry for 26 years. He began his electric cooperative career in 1988. He has held the following positions:

**MAC GYMNASIUM HOSTS BASKETBALL CAMP**

The Team MAC 7th grade girls' basketball team recently held a skills camp for elementary school girls. Twenty 1st through 6th grade girls participated in basketball drills,

free throw contests, and a 3-on-3 tournament. The Team MAC 7th grade team includes players from Fairview, Tinoira, and Archbold. Pictured

players include (back row, far left) Katie Crites, Carly Wendling, and (7th from left) Blair Bucklew, Rose Zeedyk, Mercedes Wagner, Sydney Grieser, Madison Johnson.

- CEO/General Manager of Harrison Rural Electric, Clarksburg, West Virginia in April 2000.

- CEO/General Manager of Paulding Putnam Electric Cooperative, Paulding, Ohio, 2005 to Present.

He was instrumental in securing a large (2,000 acre) multi-use development in his West Virginia service territory which earned national recognition. He has negotiated long-term power contracts with suppliers such as American Electric Power (AEP). He was featured in the book Co-op Survivor, written by Mr. Keith Crabtree about his service at Harrison Rural Electric in West Virginia. Mr. Carter has lobbied numerous times at the Ohio Statehouse and in Washington D.C. on behalf of rural electric cooperatives and rural issues. Mr. Carter has addressed a joint legislative committee of the West Virginia legislature regarding the cooperative business model, subsidiary businesses, the propane industry and competition. Mr. Carter serves on several corporate boards of directors and is currently serving on the board of the State Bank.

Mr. Carter is committed to serving his community. Mr. Carter is also the President of the United Way of Paulding County and served as Campaign Chairman during the 2010 campaign year. He serves on several community boards and has held leadership positions on many of the boards:

**NEW HAVEN WEIGHS BUDGET: CITY COUNCIL DEBATES EXTRA CHECK VS. RAISE**

**By: Vivian Sade, The Journal Gazette**

No votes were taken or decisions made, but New Haven City Council members were presented with some basic financial information to begin thinking about the budgeting process for 2015.

Since the city's 92 employees are paid on a biweekly basis and next year will be 27 pay periods instead of the normal 26, the council could consider forgoing an annual raise and instead give the employees the extra paycheck, said Greg Guerrettaz, the city's financial consultant.

The extra checks for 92 employees would cost the city about \$152,000 plus benefits, approximately the equivalent of a 3.8 percent raise, Guerrettaz said.

"Then in 2016, when there will again be 26 pay periods, the city could offer a 3.5 percent raise," he said.

Guerrettaz has been advising the city for about eight years, putting together a yearly analysis, which Mayor Ter-

ry McDonald called "a careful and good plan to avoid the risk of laying off people in the future while continuing to be prudent and work as a team."

The plan would allow the city to hire an additional police officer in 2015 and a paramedic in 2016, despite the fact that the city continues to lose revenue because of property tax cuts, McDonald said.

McDonald also asked council members to consider including the employment of a part-time human resources employee or consultant during the budget process, which begins in a few weeks.

"With the constant changes in law, especially the Family Medical Leave Act and Americans with Disabilities Act, we dare not miss anything," McDonald said.

"Nobody here is qualified to deal with these complicated questions," he said.

Based on employee suggestions, McDonald would like to allow employees to use family sick days out of their accrued sick days and asked the council to consider pooling all vacations and holidays and earned days off into paid-time-off days, allowing employees to better use and track time off.

The entire sustainability report can be found and downloaded from the homepage of the city's website at [www.newhavenin.org](http://www.newhavenin.org).

### WOODBURN TO HOLD SUMMER FEST - JULY 18 & 19

The Woodburn Community Association is hosting Summer Fest on July 18-19 at the Woodburn Community Park, Park Street and State Road 101. Mark your calendar now and watch for more information in the next few weeks.

Start your weekend out on **Friday, July 18<sup>th</sup>** with a Trivia Night in the Park beginning at 7:00 p.m. Six person teams will compete for bragging rights and cash! All attendees must be 21. New this year! Enjoy a Barbeque Dinner by Jimmy Ray's BBQ while competing in the trivia contest! Carryout is also available for the general public. Contact Garry at 260-632-7780 for more details or registration.

**Saturday, July 19<sup>th</sup>** is full of events for your entire family! Start your day with the famous Lion Club Donuts, available beginning at 8:00 a.m. in the park by the Headquarters Tent. Make sure and get yours early, they will sell out quickly! Next, you can walk off your donuts by joining in the all-new 1-mile Family Fun Walk. Walkers should contact Peggy at 260-632-7780 to register.

After the Family Fun Walk make sure and visit the Farmer's Market on the east end of the park. Local vendors will have fresh, healthy produce. If you would like to be a vendor in the Farmers Market, please contact Gloria at 260-632-7780.

The Woodburn Summer Fest Parade "Made in America" starts at 10:00 a.m. Kids! Make sure and get your bags ready to collect all of that candy that will be thrown from the floats! If you are interested in participating in the parade please contact Tonya at 260-255-0075.

There are so many fun and family-oriented activities scheduled for the Woodburn Summer Fest that you should just plan on being there all day! The Prince and Princess crowning will take place right after the parade. Contestants are now being accepted, but are limited to the first five boys and girls ages 1 to 6. Contact Kim at 260-632-7780 to have your child included in the Prince and Princess Contest.

Show off your skills in either the Horseshoe, Cornhole or Softball Tournaments, visit the Bicycle Safety Rodeo hosted by the Woodburn Police Department, watch Mini Pig Races (every ½ hour beginning at 12:30 p.m.), Cutest Baby Contest, Pie Eating Contest, Straw Maze, Cookie Stacking Contest, Obstacle Course, Kiddie Tractor Pull, Pizza Eating Contest, participate in the Scavenger Hunt or Play Games for all ages - all of this from 12:00 Noon to 6:00 p.m. on Saturday, July 19<sup>th</sup>. New this year is Rolling Video Games of Indiana! Luxury climate controlled game theater with state-of-the-art sound and graphics will be in the park from 12:00 Noon to 6:00 p.m. Up to 16 players can compete at one time on 4- 46" widescreen TV's. Vibrating stadium seats included!

Please contact Mike at 260-632-7780 to register for the Horseshoe Tournament. If you are interested in being in the Corn Hole Tournament, contact Jason at 260-632-7780. Softball Tournament teams should contact Tiffany at 260-632-7780 to register. The tournament is limited to the first 12 teams.

All of those activities are going to make you hungry! Local vendors will have a variety of food for you to choose from. You won't be disappointed with the home made, yummy food. The Woodburn Summer Fest will rock its way to closing with Walkin' Papers starting at 6:00 p.m. on the main stage. There are some great prizes this year for the raffle drawing. Drawing will take place at 9:15 p.m. on the main stage. Need not be present to win and all will benefit the Woodburn Community Association. Woodburn Summer Fest will end with an exciting Fireworks Display at dusk.

Watch for more information on the Woodburn Summer Fest at Woodburn businesses over the next few weeks.

If you are interested in helping with the Woodburn Summer Fest, please contact the Woodburn Community Association at 260-632-7780. All Woodburn residents are invited to attend the Woodburn Community Association monthly meeting on the 4<sup>th</sup> Tuesday of the month.

## SCIENCE IN THE GARDEN AT ANTWERP ELEMENTARY

To finish the school year, second grade students at Antwerp Elementary are learning about science as they work with their hands to gain real-life experience. The Greenhouse Effect in Antwerp donated vegetables that students planted in the school garden.

In the fall, the first and second graders will continue this project as they harvest the crop and work with the cafeteria staff to provide fresh vegetables at lunch. Pictured with the second graders is Laura Boesch, representing the Greenhouse Effect.

## SUMMER LEARN 2014

For more than 30 years, LEARN Resource Center has provided summer programming for children and youth. This year, LEARN staff are very excited to return its summer program to full-day, full summer. "It's been three years since we were able to serve kids all day!" says Sharon Wilson Executive Director. "As a working mom myself, I know the challenge of

find quality all day summer programming that is affordable and we are so excited to provide this service."

LEARN Resource Center also has a new partner that has made this expanded day/summer program possible, Grace Gathering Church, 3157 Minnich Road, New Haven. "Grace Gathering is generously allowing us to use their beautiful facility in order to make it possible for us to expand," stated Wilson.

## ANNUAL TRASH BASH PROGRAM HUGE SUCCESS

Because of the effort of thousands of volunteers, Department of Correction offenders and Department of Transportation employees, motorists traveling through the Hoosier state will see cleaner roadsides this summer.

Since 1997, the Indiana Department of Transportation (INDOT) has coordinated with Adopt-A-Highway volunteers and the Indiana Department of Correction (IDOC) to "spring clean" Indiana highways during Trash Bash. Each year, hundreds of tons of trash are collected—sprucing up Hoosier roadways just in time for nice weather.

"This annual cleanup effort gives the offenders an opportunity to make a positive impact on the community and give back in a big way. Once again our work crews stepped up to the challenge and surpassed our hopes for this year's campaign. We are thankful to INDOT for continuing to partner with us for this important public service," stated IDOC Commissioner Bruce Lemmon.

State-wide this year more than 9,300 cubic yards of debris and 16,500 bags of trash were collected from alongside 1,480 miles of Indiana's roadways. Adopt-A-Highway groups played a significant role in this year's success by volunteering a record number 10,200 hours!

"It was great to see participation from so many Adopt-A-Highway groups in this year's Trash Bash program," said INDOT Commissioner Karl Browning. "Many groups have participated annually but we are especially grateful for the new Adopt-A-Highway groups who want to help make a difference in our great state."

INDOT also offers Sponsor-A-Highway opportunities on Indianapolis area interstate highways. Sponsors hire an approved vendor to provide litter control in the name of the sponsors. Sponsors benefit by having their name or logo advertised on an acknowledgement sign. For more information on the INDOT Sponsor-A-Highway program, go to <http://www.in.gov/indot/2597.htm>.

INDOT encourages all Hoosiers to keep Indiana's highways clean by following some simple tips:

- Don't litter: Set a good example for everyone, especially children.
- Be responsible: Carry a trash bag in your car instead of tossing litter out the window.
- Report it: Report areas where people have illegally dumped garbage to your local transportation, public works or conservation office.
- Adopt it: To find out how your group can become involved in helping beautify an area near you by participating in Adopt-A-Highway, Sponsor-A-Highway or other highway beautification efforts please contact INDOT Customer Service for East Central Indiana at 1-855-463-6848.

**FSBO - FIVE REASONS YOU SHOULDN'T!**

By: Lisa Noneman

1. There Are Too Many People to Negotiate With. Here is a list of some of the people with whom you must be prepared to negotiate if you decide to sell your home on your own.
  - The buyer who wants the best deal possible
  - The buyer's agent who solely represents the best interest of the buyer
  - The buyer's attorney
  - The home inspection company
  - The appraiser if there is a question of value
  - Your bank
  - The buyer's bank

**2. Exposure to Prospective Purchasers**

Recent studies have shown that 92% of buyers search online for a home. That is in comparison to less than 28% looking at print newspaper ads. At Coldwell Banker Roth Wehrly Graber, I have a marketing team who implements an internet strategy to promote the sale of your home. Do you?

**3. Results Come from the Internet**

Where do buyers find the home they actually purchased?

- 43% on the internet
- 9% from a yard sign
- 1% from newspapers

The days of selling your house by just putting up a sign and putting it in the paper are long gone. Having a strong internet strategy is crucial.

**4. "FSBOing" has Become More and More Difficult**

The paperwork involved in selling and buying a home has increased dramatically as industry disclosures and regulations have become mandatory.

**5. You Net More Money When Using an Agent**

Many homeowners believe that they will save the real estate commission by selling on their own. Realize that the main reason buyers look at FSBOs is because they also believe they can save the real commission. The seller and buyer can't both save the commission!

# PAULDING COUNTY COMMISSIONERS MEETING

## MINUTES 5/5/14

This 5<sup>th</sup> day of May, 2014, the Board of County Commissioners met in regular session with the following members present:

Tony Zartman, Roy Klopfenstein, Fred Pieper and Nola Ginter, Clerk

### ALLOWANCE OF CLAIMS:

Warrants documented as 207480 through 207540 for County Bills were approved and certified to the County Auditor for payment.

### IN THE MATTER OF APPROVING "THEN AND NOW" PURCHASE ORDERS AND PAYMENTS:

The Paulding County Auditor has certified the following "Then and Now" purchase order numbers and payments included in the Allowance of Claims on May 5, 2014, Warrants numbered 207480 through 207534 in the amount of \$5,511.43; and it is certified that both at the time that the contract or order was made ("then"), and at the time that the County Auditor is completing the certification ("now"), that sufficient funds were available or in the process of collection, to the credit of a proper fund, properly appropriated and free from any previous encumbrance; and pursuant to the Ohio Revised Code §5705.41(D)(1), these purchases must be approved by resolution of the Board of County Commissioners. Now, therefore the Paulding County Commissioners approve the Then and Now Purchase Orders as submitted by the Auditor; and it is found and determined that all formal actions of this Board of County Commissioners, County of Paulding, State of Ohio concerning the adoption of this resolution were adopted in an open meeting of this Board of County Commissioners, and that all deliberations of this Board of County Commissioners and of any of its committees that resulted in such formal action, were in meetings open to the public in compliance with all legal requirements including Section §121.22 of the Ohio Revised Code.

### IN THE MATTER OF CREATING A NEW FUND, REVENUE AND EXPENSE LINE ITEMS; ESTIMATE REVENUE AND APPROPRIATE EXPENSES (FUND 195):

A grant has been awarded to Paulding County Probate/Juvenile Court; and in order to accurately account for grant revenue and expenses, a new fund needs to be created. Now, therefore the Board of County Commissioners does hereby direct the County Auditor to create a new fund and revenue and expenses line items in the Ohio County Connectivity Fund (Fund 195) and appropriate:  
Fund 195 - OCN Grant  
Revenue Line Item - 195-001-10001

Grant Receipts  
Estimated Revenue - \$5,380.00  
Expense Line Item - 195-001-00001  
OCN Expenses  
Appropriation - \$5,380.00

### IN THE MATTER OF AMENDING THE 2014 ANNUAL APPROPRIATION (FUND 190):

The Board of County Commissioners does hereby direct the County Auditor to amend the 2014 Annual Appropriation by appropriating to the Moving Ohio Forward Fund (Fund 190):  
190-001-00001/Moving Ohio Forward/Miscellaneous Expenses  
AMOUNT: \$1,169.00

### MEETING NOTES OF APPOINTMENTS:

Jim Langham, Paulding Progress - The Commissioners discussed the Paulding County EMA Director position with Mr. Langham. An ad for the position will appear in this week and next week's West Bend News. Applications/resumes will be accepted until Monday, May 19, at 9:00 a.m. in the Commissioners' Office. The Commissioners noted some of the desired qualifications for an application should be:

1. Effective communication skills;
2. Team player;
3. Organizational skills;
4. Self motivation;
5. Time management;
6. Grant management

The Commissioners emphasized all EMA related telephone calls are currently being directed to the Sheriff's Office until a new EMA Director is hired. They also informed Mr. Langham an EMA Director Search Committee has been formed. The committee will be utilized during the interviewing process and will assist in the selection of the new EMA Director.

Joe Fifer, Junction Bible Christian Church - Mr. Fifer met with the Commissioners for clarification on the church's sewer bill. Reverend Fifer shared his history with the church, having been there for four years. He and his congregation have several projects in mind. Mr. Fifer noted they have been serving 60 family units through a mobile food pantry. Establishing a permanent food pantry is a priority. Reverend Fifer reported the church is currently having dilapidated buildings on their property cleared to eventually put up a building that would house the food pantry, with space for other outreach programs. Mr. Fifer noted those that utilize the food pantry on a regular basis are either down on their luck, the elderly, or the poverty impoverished. The church would also like to eventually start a jail ministry that would be focused on the family unit upon release of the inmate. The goal is to guide the former inmate and the family into a successful life style. Reverend Fifer stated they are interested in a 'hand up' as opposed to a 'hand out' situation. Mr. Fifer also noted the necessity of having a homeless shelter for families. The closest family housing is in Bryan and they usually have a waiting list.

**USDA ANNOUNCES CHANGES TO FRUIT, VEGETABLE & WILD RICE PLANTING RULES**

USDA's Farm Service Agency (FSA) has announced fruit, vegetable and wild rice provisions that affect producers who intend to participate in certain programs authorized by the Agricultural Act of 2014.

"Similar to previous programs that we've administered, planting fruits, vegetables or wild rice on base acres on a farm can result in a payment reduction for program participants," said Steven Maurer, State Executive Director for the Ohio FSA.

Producers who intend to participate in the Agriculture Risk Coverage (ARC) or Price Loss Coverage (PLC) programs are subject to an acre-for-acre payment reduction when fruits and nuts, vegetables or wild rice are planted on the payment acres of a farm. Payment reductions do not apply to mung beans, dry peas, lentils or chickpeas. Planting fruits, vegetables or wild rice on acres that are not considered payment acres will not result in a payment reduction. Farms that are eligible to participate in ARC/PLC but are not enrolled for a particular year may plant unlimited fruits, vegetables and wild rice for that year but will not receive ARC/PLC payments for that year. Eligibility for succeeding years is not affected.

Planting and harvesting fruits, vegetables and wild rice on ARC/PLC acreage is subject to the acre-for-acre payment reduction when those crops are planted on

either more than 15 percent of the base acres of a farm enrolled in ARC using the county coverage or PLC, or more than 35 percent of the base acres of a farm enrolled in ARC using the individual coverage.

Fruits, vegetables and wild rice that are planted in a double-cropping practice will not cause a payment reduction if the farm is in a double-cropping region as designated by the USDA's Commodity Credit Corporation.

For additional information on fruit, vegetable and wild rice rules, visit www.fsa.usda.gov or contact your local USDA Service Center.
