## NORTHWEST DISTRICT SHERIFFS' STATE OF OHIO OPPOSITION TO ISSUE 3 LEGALIZATION OF MARIJUANA

The Board of Directors of the Buckeye State Sheriff Association announced its opposition to the proposed Constitutional amendment that would legalize the use of marijuana and allow a limited number of grow operations within the State of Ohio. The Board of Directors felt strongly that the legalization of marijuana will cause more issues for our youth and

law enforcement. The Association remains committed to the youth of our state by supporting the D.A.R.E. Program and SRO Officers. As Sheriff, being the Chief Law Enforcement Officer of the County, it is our belief that Ohio's businesses need to offer a safe work environment while remaining competitive in the work force. Society is not immune to the social ills that follow destructive behavior.

Part of Law Enforcement's issues is the threat of the target to young people.

## LADY ARCHERS VOLLEYBALL: SERVING THE LEAST OF THESE

Coach Amy Hammer with 2009 student, player and friend Megan Koppenhoffer Martenies.

Antwerp has been a supporting community for years. For most of the events in recent memory the volleyball team has been supporting breast cancer research through Volley for the Cure. This year it was different.

The Lady Golden Bears travelled down to the Archer court for "Rally for Remembrance". The Bryan girls have also been great about the support and they are usually there with on the fundraiser events.

Altogether, \$974.20 was raised to bring awareness to infant loss. One of our own has been personally effected. Megan Koppenhoffer married Jarod Martenies, both graduates of Antwerp, and

together they were ready to deliver their first child last year. At 40 weeks, baby Harper was ready to meet her parents when suddenly and without any warning she died. The family was devastated and without answers. Megan said they never found the reason because the test revealed no problems. The community was there to support her and Jarod.

It's been six years since Megan played on the volleyball team as a senior for the Archers. Amy Hammer just began her career as coach at the same time. She also knew that the team is so good at supporting important things and they talked about changing the support this year to something new—Tiny Purposes.

The organization of Tiny Purposes' goal is to bring awareness to something that is somewhat taboo to talk about—infant death. Reality shows it does happen and it shouldn't be ignored. They bring realization, comfort, healing and encouragement to families who have experi-

Secretary of State Jon Husted has appointed Constance M. Hoverman as a member of the Van Wert County Board of Elections. Ms. Hoverman will fill the unexpired term of Peg Waltz.

Each board is made up of two Republican members and two Democratic members, all of whom must be qualified electors in the counties for which they serve. The Secretary of State makes appointments to boards of elections based on the recommendations of the executive committees of the respective county political parties.

Constance Hoverman was recommended by the Van Wert County Democratic Central Committee.

These women offer hope and inspiration. They're positive role models for the next generation."

**STATEMENT FROM OHIO SECRETARY OF STATE JON HUSTED**

Regarding the unanimous decision by the Ohio Supreme Court in the case of Lucas County Republican Party v. Husted, all of the following may be attributed to Ohio Secretary of State Jon Husted:

"This unanimous decision closes a dark and dysfunctional chapter at the Lucas County Board of Elections and establishes a solid foundation for brighter days ahead.

"The culture of chaos that persisted at the Lucas County Board of Elections is now history and we can build a new future based on competence and cooperation. I am happy for the taxpayers of Lucas County, it's time to move on."

"I fully expect that the current board members will ensure integrity in the process and deliver well-run elections to fulfill the mission of making it easy to vote and hard to cheat in Ohio."

## PAULDING COUNTY HOSPITAL HELPS WITH HEALTHCARE EXCHANGE OPEN ENROLLMENT

The open enrollment period for the Healthcare Marketplace health insurance coverage for 2016 is November 1, 2015 through January 31, 2016. This coverage is available through the Affordable Care Act.

You must be enrolled in health insurance coverage by January 31, 2016. If you don't have coverage in 2016, you'll pay the higher of these two amounts:

- 2.5% of your yearly household income
- \$695 per person (\$347.50 per child under 18)

Some people may qualify for an exemption from this fee. Persons missing the deadline may not be able to purchase Marketplace coverage for 2016 until the next open enrollment period for

the following year.

If you are currently enrolled in a 2015 plan, your benefit year ends on December 31, 2015. Even if you like your current plan, the recommendation is to go online and check the options. You will want to confirm that your plan is not changing or perhaps you will find a plan that is more affordable or has benefits that you like better.

To help with these and other insurance issues, Paulding County Hospital is designated as a Certified Application Counselor. PCH can assist you regarding questions about your health care insurance options and navigating the Health Insurance Marketplace. We can even help you learn how to enroll. Please call 419-399-4080 extension 209 and speak with Amy Rager for your free assistance. If the issue can't be handled on the phone, an appointment can be made for individual free assistance.

## 57 ORGANIZATIONS, 4,400+ OHIOANS HELP EXCEED "10 MILLION STEPS TO PREVENT FALLS"

To mark National Falls Prevention Awareness Day on Sept. 23, and to raise awareness of the epidemic of falls among older Ohioans, the STEADY U Ohio initiative asked community organizations and individuals around the state to help take "10 Million Steps to Prevent Falls" throughout September. Communities responded, with 57 different organizations sponsoring 57 community events. Statewide, more than 4,400 Ohioans walked approximately 5,300 miles. At an average of 2,500 steps per mile, that's more than 13.2 million steps taken in the name of falls prevention.

Thank you for helping to take '10 Million Steps to Prevent Falls'! We are absolutely delighted by how many Ohioans took a stand - and took a walk - to help protect their neighbors and loved ones from the leading cause of injury-related hospitalizations and deaths among

older adults," said Bonnie K. Burman, director of the Ohio Department of Aging, which operates the STEADY U Ohio initiative. "We want everyone to know that, while older adults are disproportionately affected by falls, falls are not a normal part of aging and most falls can be prevented."

STEADY U Ohio recruited community organizations around the state to organize local walking events. Events ranged from four or five participants to more than 1,200. Host organizations included local offices on aging, senior centers, health departments, nursing homes and assisted living facilities, hospitals, fitness centers and more. Some organizations partnered together, while others hosted multiple events. Several existing senior-focused events, including the Cleveland Senior Walk and the Toledo Senior Safari, were modified to have a falls prevention focus to participate.

Individuals were also encouraged to walk on their own and post a selfie of their efforts to social media using the hashtags #PreventFalls and #10MStepsOH. Director Burman challenged those who work with or serve individuals who were unable to

walk to walk on their behalf. She also challenged Ohioans to count time spent walking their dogs toward the effort, citing that pets are often a contributor to falls around the home.

"One in three older Ohioans will fall this year. For many of them, that fall can be life-altering. We want everyone to recognize that each of us has a role to play in putting an end to the epidemic of falls. As the old song says: 'United We Stand, Divided We Fall!'" Director Burman added.

Facts about falls and older Ohioans:

- An older Ohioan falls every two minutes. Every five minutes, someone is injured in a fall.
- The number of fatal falls among older Ohioans has increased more than 167 percent since 2000.
- Older adults comprise 14 percent of our population, but account for 83 percent of fatal falls.
- The total cost of falls (medical costs, work loss) is estimated at \$1.8 million every day.

What a night September 12th was! Woodburn Lutheran School held its annual Blue & White Night Dinner Auction and Square Dance at Roemke Farms in Harlan to raise funds for the school. The evening began with prayer and a wonderful dinner ca-

tered by Wedding Dreams by Linda in Antwerp. We were blessed to have Jerry and Ruth Ehle running our auction. Supporters of this event were able to bid on items at four different silent auction blocks as well as over 25 live auction items. With the sup-

port of our incredible community, we were able to raise over \$50,000 for the School Improvement Fund and more than \$33,000 for our Endowment fund.

Proceeds from this fundraiser will go toward facility updates – we know we have the best staff possible, and we hope to also provide our students with the best learning environment available. If you were there you know how much fun it was, and if you weren't you'll have to come next year to find out!

**A SERVANT'S WAY**

**By: Rev. Gerry Weesner, Maples United Methodist Church**

"Then Jesus said to the crowds and to his disciples: 'The teachers of the law and the Pharisees sit in Moses' seat. So you must obey them and do everything they tell you. But do not do what they do, for they do not practice what they preach.' ... 'But you are not to be called 'Rabbi,' for you have only one Master and you are all brothers. And do not call anyone on earth 'father,' for you have one Father, and he is in heaven. Nor are you to be called 'teacher,' for you have one Teacher, the Christ. The greatest among you will be your servant. For whoever exalts himself will be humbled, and whoever humbles himself will be exalted.'" Matthew 23:1-3, 8-12 (NIV).

Pride is a sin, but not one our society spends much time complaining about. Proud people are frequently rewarded. An energetic self-promoter can go a long way in this world. If there's one thing our society doesn't spend a whole

lot of time promoting, it's servanthood. Who wants to be a servant? No, we'd rather be self-made men and women, strong and confident, brimming with talents and abilities, on the fast track to high achievement.

Yet, servanthood, rather than prideful self-promoting, is what Jesus teaches. "The greatest among you will be your servant. All who exalt themselves will be humbled, and all who humble themselves will be exalted." It's a truly revolutionary teaching, then as well as now. Titles and social distinctions can too easily become hindrances. We sometimes too easily wind up serving them, tripping over them, and hiding behind them. Jesus tells his followers to leave them alone! In the early church, the usual salutation of Christians for each other was "brother" or "sister." This reflected the example of Jesus.

The standard that Jesus Christ has set for us is to be servants. The standard is this: Do we conform to his spirit of service, generosity, and love? Do people see God in us? It is Jesus who has taught that true greatness is found in servanthood. And it is he who has walked the servant way before us. He walks it still, by our side, to help us serve others.

**BIBLE QUESTIONS**

**By: James Potter, Oakwood church of Christ**

1. Luke 22:49 – What did those around Jesus say?
2. Luke 22:50 – What did one of them do?
3. Luke 22:50 – Who was the disciple that used the sword?
4. Luke 22:50 – What was the servant's name?
5. Luke 22:51 – What did Jesus do for the servant?
6. Luke 22:52 – What did Jesus say to those who had come out to arrest Him?
7. Luke 22:53 – What power is working here?
8. Luke 22:54 – After arresting Jesus, whose house did they take Him to?
9. Luke 22:54 – Who followed at a distance?
10. Luke 22:55 – What did they do in the midst of the courtyard?

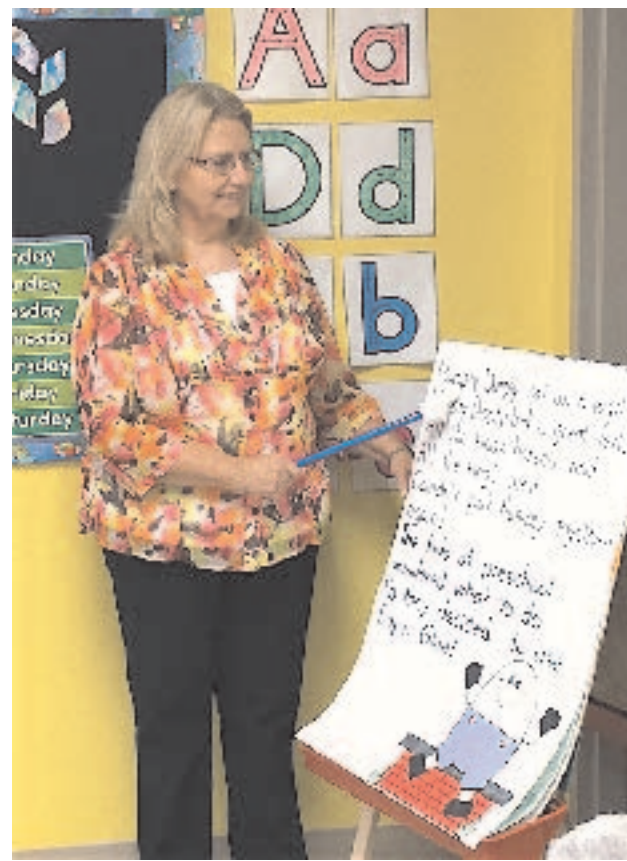

Loved ones, I am available to you, for your comments, questions or to help in your study of the New Testament. Call me at 419-393-4775 or e-mail jsp1941@yahoo.com. Also there is Lonnie Lambert, 419-399-5022.

Answers to today's questions:

1. Shall we strike with the sword;
2. Struck the servant of the high priest;
3. Peter;
4. Malchus;
5. Touched his ear and healed him;
6. Have you come out, as against a robber with swords and clubs;
7. The power of darkness;
8. High priest;
9. Peter;
10. Kindled a fire;

Now, a couple of comments on verses 47 and 53. In verse 47, a kiss was and still is the traditional greeting among men in certain parts of the world. In this case, it was also the agreed upon signal to point out Jesus. It is ironic that a gesture of greeting would be the means of betrayal. It was a hollow gesture because of Judas' treachery. Have any of our religious practices become empty gestures? You and I will betray Christ when our acts of service or giving are insincere or

FUMC Preschool in Van Wert, OH welcomes Patti Cox to our teaching staff. Patti joins us after 37 years of teaching 1st grade at Lincolnview Local Schools. Patti has her Bachelors in Elementary Education and Special Education, as well as a Master's Degree in Teacher Leader.

Patti has two children, JP and Lisa. She is very active in the community as she is a Thomas Edison board member, Van Wert County Special

Olympics Board President and helps coach bowling, basketball skills, and bocce for the Van Wert County Special Olympics.

She brings her love of frogs to the classroom everyday not only with her classroom décor but also with her friend "Izzy pops," a water frog.

carried out merely for show.

Verse 53 tells us the religious leaders had not arrested Jesus in the temple for fear of a riot? Instead, they came secretly at night under the influence of the power of darkness, Satan himself. Although it looked as if Satan was getting the upper hand, everything was proceeding according to God's plan. It was Jesus' time to die. Hebrews 9:27 and as it is appointed for men to die once, but after this the judgment. Everybody has this appointment with death, none is excluded.

**THE LOBO TANK BUSTERS**

**By: Stan Jordan**

On our mission today, we only had three planes. Lt. Barne's plane was going to have a major over-haul, as his plane has ran out of flight hours. We were to go back to the Ruhr area again, that is a very busy German armament section. A lot of that area is underground, so we must look for underground railroads and high-way convoys.

We knew that would be a well-protected area, so we had to keep a sharp lookout. We hadn't even gotten to the area yet and we spotted six German planes. We were still up about 7,000 feet in altitude and they were a little bit below us. They broke off into individual target, and we did also. It was everybody for himself. I got on the tail of one ME-109 and was closing in fast on him. I gave him one ring on my gun sight. I gave him a two second burst, and it looked like tracers were tracing right up his fuselage right up to the cockpit. Another burst of 50 cal. and he just seemed to explode and come apart.

I didn't have time to watch him go down. I made a big loop and ended up in the fray again. I was up beside another ME-109, but we were going in opposite directions. I pulled up to gain some altitude and he did also. We ended up coming straight at each other. No time to aim, so I did a little roll to the right to escape his fire. I pushed the throttle all the way forward and made a tight, left-hand turn and went back upstairs. This guy is a good pilot, because when I got level again, there he was in front of me. I could see the smoke coming from his cannon, but he missed me, I guess. We went past each other and I made a barrel roll and went down a little, and made a left turn, and I ended up under him and closing fast!

I started firing a little early, but he flew right into my tracers. He fell off to the right and his plane was headed for the earth. He was probably already dead.

I looked around and I was all alone. The dog fight had taken us away from the other planes. I was almost out of ammo, but I still had my rockets, but I headed for home anyhow. I had downed two German fighters and I had had enough of everything for one day.  
See ya!

**HICKSVILLE LODGE FISH FRY**

**By: Stan Jordan**

On Wednesday, Sept. 23<sup>rd</sup>, some members of the Hicksville Lodge were treated to a fish fry at the beautiful home of Mr. and Mrs. Richard Altman. It was a very fine evening with the temperature around 81 degrees. The weatherman outdone himself!

The bluegills were captured and cleaned by Walt Schilb and his sons Steve and Scott. The boys doing the cooking were Grover Blalock, Ron Farnsworth, Dick Savage, Dick Altman and his son, Michael.

Our newest candidate, Nathan Cross was the guest for the evening. He was accompanied by his father, Robert Cross, his grandfather, Ray Cross, and his great-uncle, Stan Jordan. I would like to use this vehicle to express our thanks for the Hicksville Lodge for the very enjoyable evening at the home of Mr. and Mrs. Richard Altman and his son Mike.

See ya!

P.S. If I left out any of the cooks; names, I am very sorry. But, Walt Schilb was to see me this morning and give me all the names to the cooks. But instead, he went fishing to fill the larder for next year's fish fry!

The above picture is of the Antwerp High School Football team in the fall of 1938. We were undefeated, untied and un-scored upon - the only team in the state of Ohio with a record like that, for that year. I remember after we were un-scored upon in the third game, Coach William Horney said

maybe we could go all season that way. Defense was the name of the game.

There were 11 seniors on the team, and everyone played both offense and defense. Payne was the closest to scoring on us. I think that Stabler tried to dropkick a field goal from the 20, and it went off to the left. The ground wasn't very flat,

more like a pasture field.

We were given a dinner by the Chamber of Commerce in the basement of the Presbyterian Church. As near as I know, I am the only fellow in this picture that is still alive. I was a freshman at that time - the player in the white sweatshirt in the back row.

**DON'T WAIT FOR REUNIONS TO RECONNECT WITH CLASSMATES**

**The Nurturing Well by: Jill Starbuck**

A few weeks ago, I took my first kayak trip with a group of friends. These friends were a special group of people. They were some of my high school classmates. I can't help but think that this trip was extra special because of the company. While the morning started out dreary and rainy, the weather took a turn for the better—and just in time. It was as if it changed just for our gathering. Some of us had never been on a kayak trip; others were old pros. While some of us frequently see each other, there were others that we had not seen in years. But what was so amazing about this particular trip was how strong the bond was among us. You could literally feel it.

We kayaked for four hours or so, with everyone enjoying every minute of it. We spent time catching up with one another, cracking jokes, assisting each other when needed, but most of all we laughed and smiled nonstop. Everyone one of us. It was by far one of the best times I've ever had. I can't speak for my classmates, but I would venture to say that they would all

participate in a trip or other adventure like that again.

As we graduate from high school, we all meet new people and make new friends along the way. However, none can compare to our classmates. With our classmates, we create a special bond because we spent so many of our years growing up with them. They are like family. We have many things in common because we experienced so much together. We spent hours, days, and years together. We suffered through the awkward stages together and we celebrated milestones together. We shared teachers, sports events, heartaches, laughter, and so much more. Because of all of this, we can reminisce, laugh, and care for each other like we can't with others.

Traditionally, classmates get together every five to ten years for their class reunions. However, too often life events may get in the way of making those reunions. Therefore, we don't always get the chance to reconnect during those few and far between occasions. So why not make the effort to bring classmates together? It doesn't even have to be a big ordeal. Whether you plan a hiking trip, kayak trip, golfing trip, bowling night, a bonfire, or other event, I guarantee you won't regret it. It is likely going to be marked as one of the best times you've ever had. Get on the phone today and make it happen!

**"FROM THE VANTAGE POINT:" VANTAGE @ THE DAY OF CARING!**

Vantage Student Ambassadors Zach Chamberlin (Kalida), Lexi Doster (Continental), Levi Hiltner (Continental), Liz Lammers (Lincolnview) and Cullen Wenzlick (Paulding) smile for the camera while they work at the Day of Caring Food Drive.

Vantage Career Center students were very active in the 17<sup>th</sup> annual United Way Day of Caring. The Medical Office Management students and their teacher, Mrs. Paula VanTilburg, directed the school's food drive blitz on September 11, when over 3,000 canned food items were donated for the Salvation Army Food Drive. Two programs won pizza parties for their donations - Industrial Mechanics, who brought in over 700 food items and Buildings & Grounds, who, with only 10 students, donated 33 items per student!

An additional \$1,800 was raised to purchase more groceries. Vantage students and staff were able to contribute over 5,000 non-perishable food items to the Salvation Army this year.

Providing some much needed muscle to load and unload the donated food on and off the collection trucks were students from the Building and Grounds program and their first-year teacher, Mr. Dave DeLano, and aide, Mrs. Brenda Wurst.

The Vantage Student Ambassadors, along with teacher aide Mrs. Nancy Keith and Social Studies teacher Mr. Tony Unverferth worked at the Salvation Army Food Drive, helping to unload, sort, count, box and store donated food items from around the county.

New senior Health Tech teacher, Mrs. Wendy Bauble and her students volunteered their expertise at the bloodmobile held at Trinity Friends Church Family Life Center. Using what they learned from class and their practical experiences, they performed duties on the bloodmobile floor and in the kitchen and canteen to assist the American Red Cross to insure things went as smoothly as possible. This year, 43 Vantage seniors were able to donate blood during their lab time.

Although Mrs. Robin Burns and the Culinary Arts class stayed at school, they participated in the day's activities by preparing delicious chicken noodle soup (with homemade noodles) and potato soup for the Red Cross workers and the volunteers at the bloodmobile. Community service proj-

# THE RAIDERS SQUARE THEIR RECORD

Senior Clint Sinn drives past the front line of Holgate offense to attack the quarterback. More pictures at westbendnews.net

The Holgate Tigers travelled to Raiders field on Friday, October 2nd. This was the Raiders homecoming game. The home field air may have reeked but the home team was fantastic! Gabe Wobler, Wayne Trace QB, was hitting his targets on the cold and windy night. The first quarter they scored 20 points with Cole Shepherd scoring the first two touchdowns. Hunter Showalter was on fire with

the next three touchdowns to his name, extending into the second quarter. Cole Shepherd posted his third for the evening before heading off to half time. Holgate's Dylan Szabo passed to Abel Corser for their first points of the game in the second quarter. The second half of the game only had two touchdowns for the home team: The first by Cole Shepherd and the second by Seth Saylor

on a pass from Trae Sinn. The final touchdown for the evening was by Abel Corser on a 45 yard run adding Holgate's score up to 12. Wayne Trace lead offensive yards 248 compared to 100 for the Tigers. The Raiders are now 3-3 for the season. Holgate is 1-5. See page 10 for Homecoming Court.

## LADY WARRIORS FALL TO CHARGERS

Woodlan stayed close early in all three games, but the Chargers put together point runs to put the games out of reach from the Warriors. Katie Hockemeyer had 3 serve aces and 4 kills for Woodlan. Samantha Houser added 9 assists. The Warriors won the reserve match 2 games to 1 Scores: 16-25, 19-25, 14-25

The fans arrived early for the homecoming game at the Panther field on Friday, October 2nd. The band was playing well and the team was ready. Allen East is a tough team this year and it would be difficult for any team to beat

the Mustangs. The Panthers had many good plays from notable players Preston Ingot, Branson Minck, Corbin Edwards and several others. But there was not enough to counteract the times the ball was dropped or

intercepted. Score by the Quarter: Paulding - 0 0 0=0 Allen East - 6 7 0 6=19 Top tackles for the Panthers were Jarrett Sitton with 11 and Cameron Doster with 10.

## WOODLAN HAUNTED LIBRARY & ZOMBIE WALK

**By: Katilyn Burns, Woodlan Service Club**

The smoldering gray sky gives a sense of impending doom. A mist covers the empty streets. It seems quiet—wait, what was that? A subtle moaning and dragging sound comes echoing down the road. It gets louder and louder, and when the mist clears, you see zombies! On October 14, YOU can become a zombie too! Not permanently, of course. If you come down to the Woodburn Methodist Church at 4:30 p.m., the Woodlan Service Club will make you look so terrifyingly zombie-like, you won't believe it yourself! Once you become a soldier of the night, at 6:00 p.m. you can show off your new look during the Zombie Walk down Main Street. After all the walking, our Queen Zombie and bat-mobile will take you to the home of monsters, the burrow of beasts—the Haunted Library! Once you scream your way through, you can find ghoulish treats waiting for you to eat.

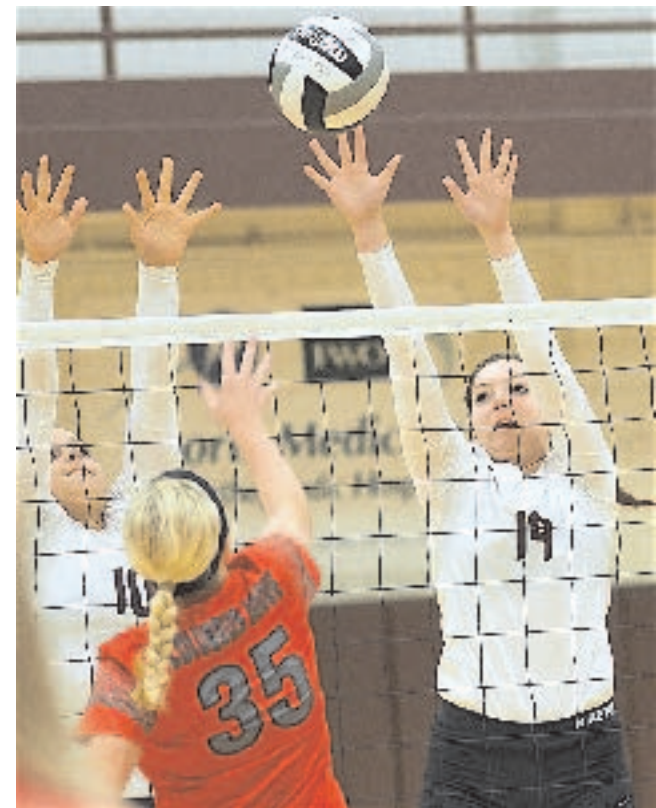

This event goes toward helping families in the community. Because of the success of last year's event, the Woodlan Service Club was able to help two of Woodburn's neediest families. \*So, come join in on the fun!

## TEEN DRIVERS REMAIN ONE OF OHIO'S MOST AT RISK GROUPS

Teen drivers continue to cause a disproportionate number of traffic crashes each year. As National Teen Driving Safety Week is October 18-24, it's the perfect time for teens and their parents to discuss the dangers new drivers face so they can make safe and responsible decisions.

Young drivers who are 15 to 19 years old were involved in about 15 percent (128,349) of all traffic crashes from 2012-2014. Of those crash-

es, a teen driver was at-fault 73 percent of the time. These crashes resulted in 282 fatalities and 41,311 injuries.

While crash causes may vary, speed-related factors contributed to a majority (59 percent) of the crashes caused by teens. Another 20 percent of crashes were brought about by failure to yield, running a red light or running a stop sign.

"Teen drivers need to realize that poor decisions while driving now can stay with them for the rest of their lives," said Lt. Timothy Grigsby, Van Wert Post Commander. "That is why responsibility, awareness and safety are so important for our youngest drivers."

While education and awareness are extremely important, the Patrol also aims to change driver behavior through traffic enforcement.

Teen drivers are encouraged to plan ahead when traveling in order to eliminate rushing from one location to another. They are also reminded that safety belts save lives and they should encourage everyone in their vehicle to buckle up, every time.

# ANTWERP BAND NIGHT DEMONSTRATES VAST TALENT!

On Friday, October 2nd, amidst the chilly evening breeze, a dedicated group of supporters sat in the football stands at the Antwerp stadium to give recognition to the hard work of the Antwerp Band program. Serenading in the evening's affairs was the Antwerp Community Band, playing several patriotic and other well-known tunes. Then the High School Marching Band took the

field, and gave the audience a show that they perform at the football games. They played their senior show, half-time show and they also played some of the band's favorite with various alumni. The Seniors were then recognized for their high school career in the music program at Antwerp High. After the band finished, the Show Choir came out to entertain with their live-

ly performance show. Their talents were enjoyed by everyone braving the autumn weather. There is a vast amount of talent in the music program at the Antwerp Local School. Band director, Mrs. Andrea Newell, and choir director, Mrs. Mary Smith have worked very hard with these dedicated students. Great job Antwerp music program!

# HICKSVILLE ACED BY LADY ARCHERS

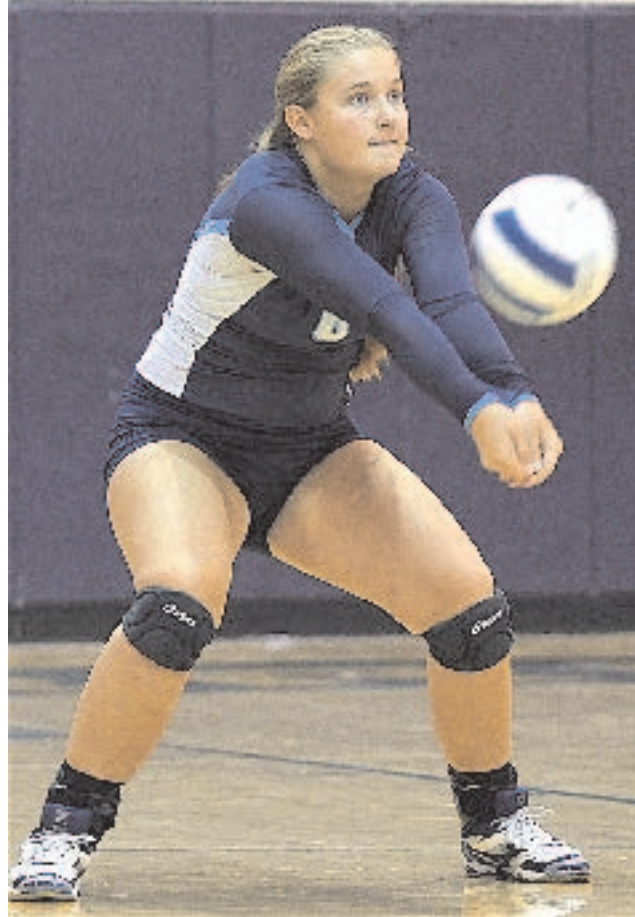

Antwerp's Emily Derck sets the ball for an ace with Hicksville's Katelynn Berenky watching in the distance. More pictures at westbendnews.net

The beginning of the game against Hicksville on Tuesday, September 29, looked like the Lady Aces may take the game. The next game, though, the Antwerp girls pulled off the win. One thing that other teams struggle with is falling from momentum and failing to recover. The Lady Archers really have an interesting ability to come from behind—even towards the end of a match to take the lead and win the game. In sets three and four, they were down by quite a bit with Hicksville on the home stretch, and were able to defeat the visitors. An ability like this will be very valuable if they can continue this once

the tournaments begin. In four sets Berenky beat Hicksville: 20-25, 25-21, 25-20, 27-25.  
Antwerp Leaders:  
Sheedy 11 kills, 2 aces, 1 block; Williamson 9 kills, 15-15 serving, 3 digs, 1 block; y Derck 8 kills, 20 assists, 10 digs; Short 2 kills, 20 assists, 1 ace, 8 digs; Smith 3 kills, 1 assist, 2 digs, 1 block; Recker 13 kills, 14-14 serving, 2 aces, 15 digs; Barnhouse 15-15 serving, 1 ace, 1 dig; Longardner 7 digs; Braaten 21 digs; Hawley 3 digs  
The record after this match put the Archers at 11-2. Antwerp JV won; Antwerp Freshmen won.

# EASY WIN FOR LADY WARRIORS

Katie Hockemeyer digs the ball against the Lady Raiders. More pictures at westbendnews.net

Woodlan hosted the Raiders on the first day of October. Following the Woodlan vs Southern Wells game the Lady Warriors signed posters for all of their beloved fans who come out and support them every game. Woodlan was on fire with a 3 set win: 25-18 25-23 25-17.

Warrior Leaders:  
Aces: Houser 3, Salzbrenner 2; Assists: Lichty 15; Blocks: Gerig 1; Digs: Lichty 9; Kills: Gerig 9; Hockemeyer 9.  
The home team is now 10-13 and their ACAC record is 2-4.

**MARY POPPINS MAKES MAGIC IN HICKSVILLE!**

Dateline: London, 1911. An east wind swirls over the chaotic Banks home on Cherry Tree Lane. Young Jane and Michael pen a plea for help, launching a whirlwind of events that changes the course their lives in a most delightful way. At the center of the cyclone are Mary Poppins and her friend, Bert.

The story unfolds October 9-11 in Hicksville's Huber Opera House. This Village Players mega production directed by Dave Snyder is notable for its comedy, energy, and fancy footwork-featuring a tantalizing mix of favorite songs and new classics. Downtown Abbey mastermind Julian Fellows based the show's script on the beloved Disney film and stories of P.L.Travers.

An unprecedented 70 tri-state hopefuls auditioned for roles and you can expect some of the area's finest. Marilyn Guilford and Andrew Gross, remarkable for their singing, dancing, and acting, lend charm and skill to the lead roles of Mary Poppins and Bert. As Mr. and Mrs. Banks, Burton Rodman and Theresa McHugh maneuver through the challenges of careers, parenting, and nanny searches. Mischief makers, Jane and Michael Banks, Kate Farr and Trey McFarland, add childhood wonder throughout.

Among those providing comic relief are Mary Smith and Cord Ehrhart as bumbling family servants, Dennis Jackson as Admiral Boom, Pam Diehl as Miss Andrew, Hal Osmun as the park keeper, Deb Kolb as Miss Lark, and Jennifer Thomas as Mrs. Corry. Choreographer Julie

Hall and her Dance Dolls lead Village Players veterans and guest artists over rooftops and through London's parkways. Featured performers include an extremely talented chorus adds onstage dimension and depth to key musical numbers. You will recognize many names from other productions. They are Paula Meek, Jeff Rumble, Dennis Jackson, Brooke Schooley, Rosanna Yoder, Alin Cass, Jami Shaffer, Joe Adams, Kris Rumble, Joshua Fine, Luk Rodman, Hal Osmun, Jane Ewing Weippert, Nathan Rodman, Rylan Brooks, Myranda Brooks, Crystal Brooks, Jodi Stoy, Corrie Ehrhart, Mallory Ehrhart, Melody Stevenson, Julia Clinton, Julie Hall, Caitlin Hitzeman, Tatem Stallard, Jordan Wells, Claudia Hitzeman, Anna Smalley, Josh Fine, Hal Osmun, Leah Thomas, Jennifer Figgins Thomas, Janet Kittle, Reverend Jeffrey Jewel, Loretta Jewell, and Cecelia Smalley.

Plans for Mary Poppins began in 2014 as Hicksville's Village Players were among the first groups to be granted performance rights after the Mary Poppins musical was released to amateur organizations last October. With others following suit, it has become one of the most popular productions of 2015. The talented cast of 58 started rehearsals in July with musical direction by Alin Cass, producer Pam Diehl, assistant director Deano Smalley, and production assistants Stephanie Midkiff and Mary Smith. Set wizardry was imagined by Dave Snyder and brought to life by a dedicated cadre of volunteers.

**ASK ME Miss C!**

Dear Miss C,

I met a girl last year when I was on vacation in Germany, she lives in Russia, 1500km from me, I am in Hungary. In Germany, it began like adventure, but when we come home, we started texting and a kind of long distance relationship. It was hard, but after a year, now in August she came to visit me. We spent wonderful two weeks together, and she went again. We both are students at the university, young people... And financial situation allows me to go in summer 2016 to visit her. It's almost a year, I don't know if it will work, because I feel bad without her. I am missing her so much and it's not good for our psychological health. I am afraid and I don't know what to do. I listened many long distance stories, but those couples saw each other once a month or once every two months, and it was hard also, but my situation is not good because we can't see each other for a 9-10 months. I can't be optimistic. She is in my head, in heart, I think about her. She also feels about me (if I can believe in her words). Sorry because of my bad English, and long e-mail. Thanks a lot. Sincerely,

—Joshua

Dear Joshua,

It seems that long distance romance is a current trend. I, only recently, responded to a young woman facing the challenges introduced by long distance. The difference between her inquiry, and yours is time. She and her partner had a young, but committed relationship before the separate was to begin. I offered her tips that you can read in the *West Bend News*, Ask Miss C archive.

Specifically to your situation, it is hard work to build healthy, happy, and stable relationships in the best of conditions, and building the relationship from afar offers additional challenges. You mentioned one, trust. It is difficult (though not impossible) to build trust without regular face to face contact. It seems we always question what we cannot touch in front of us. It is easy to quickly develop feelings of intimacy in long distance situations, but those feelings are sometimes a mask of what we WANT them to be, instead of what they really are. It is easy to fall head over heels when your face to face time is a quick adventure, and escape from real-

ity to play and enjoy your friend. This introduces another significant challenge, separating what is real and what our romantic desires create.

Joshua, this is a very hard question. While, I never want to be a person to discourage young love, I feel it is important to encourage you to look at the big picture, and ask some very important questions. How long will distance be a barrier? At some point if you want to be in a real relationship, geography needs to be addressed. Do you have the same goals? Are you having an honest relationship (on both sides)? Are you on the same page communication wise? Until these questions have answers, it is difficult to move to the next level of the relationship (you know, the real stuff). Take a step back, if you determine you are both in the same place, with the same goals, continue getting to know one another. But it may not be the best idea to commit your entire heart to a person you may spend a week or two with a year. You are young, do not forget to enjoy your life!

With Blessings,

**CITY BEGINS ANNUAL LEAF COLLECTION IN NEW HAVEN**

The New Haven Utility Department will begin its annual, leaf only, pick up on October 13, 2015 and continue through December 4, 2015. Leaves that are picked up are recycled into compost, which is available free to the public at the Utility Complex located at 2455 Summit Street. Therefore, eliminating trash and debris is of the utmost importance. Bagged leaves WILL NOT be accepted as this will inhibit the pick up process and the bags are not conducive to composting. Leaves should be ready on the first pick up day of the week that crews are scheduled to be in your part of the city. Leaves must be raked onto the park strip between the sidewalk and curb (NOT IN THE STREET), and away from street signs, poles, mailboxes and parked cars. Long rows are preferred over one big pile. Weather conditions, utility emergencies and mechanical problems may alter the schedule slightly, but all leaves will be picked up as close to the published schedule as possible.

2015 Leaf Pick Up Schedule East of Werling Road:

October 13-16, October 26-30, November 9-13, November 23-30

2015 Leaf Pick Up Schedule West of Werling Road:

October 19-23, November 2-6, November 16-20, December 1-4

No leaf pick up on November 3, 11, 26 or 27 (City offices will be closed).

**SECRETARY HUSTED PRESENTS MEDALLION TO DEL LATTA HONORING 50<sup>th</sup> ANNIVERSARY OF VOTING RIGHTS ACT**

Secretary Husted, in his role as Ohio's Chief Elections Officer, presents a NASS Medallion to Congressman Bob Latta, standing in for his father, Former Congressman Del Latta.

Ohio Secretary of State Jon Husted presented a medallion honoring Former Ohio Congressman Delbert "Del" Latta for his courageous support of the Federal Voting Rights Act of 1965 on Sunday, September 27, 2015. The landmark legislation served as the flagship reform in the effort toward ensuring access to the ballot box for every American citizen.

"Del Latta is a living part of an important period in our history," Secretary Husted said. "The Voting Rights Act ensures that every eligible voter has unfettered access to the ballot box and reaffirms one of America's founding principles in stating that every person's voice matters. Many have dedicated their lives to earning and preserving the right to vote for every citizen and that responsibility now belongs to us to make sure their work was not in vain."

The medallion, sponsored by Secretary Husted and the National Association of Secretaries of State (NASS), was accepted by Congressman Bob Latta on his father's behalf. The elder Congressman Latta is the last living Member of Congress from Ohio's delegation to have cast a vote on the legislation.

**THE VILLAGE OF ANTWERP WILL HOLD A PUBLIC HEARING ON WEDNESDAY, OCTOBER 14, 2015 AT 6:00 P.M. AT THE DEPOT, 503 W. RIVER STREET, ANTWERP OHIO. PROPOSED VARIANCE ISSUE:**

Diane Wetli of 414 W. Washington Street, Antwerp, Ohio, is requesting a variance on his side and rear yard set-back in order to put up a privacy fence. Current zoning restrictions on zoning requires a five (5) foot set-back on both the side and rear yard. Due to trees being located on the 5 foot side yard and a shed which was placed by a former owner on the property line, she is requesting to place the fence almost on the property line in order not to remove mature trees and also to include the shed. Detailed information may be viewed at the Village Administrator's Office located at the Depot, 503 W. River, Antwerp, Ohio 45813.

The Board's Executive Director is Jack R. Kullman, Jr., an attorney and the retired court administrator of the Franklin County Court of Appeals.

Judge Montgomery said: "This Board solves the two biggest concerns with current indigent guardianships. First, how do we find suitable guardians, and second, how do we pay for them?"

**WOODLAN CROSSES LINES TO DEFEAT LCC**

Lima is quite the drive for an Indiana school, but the Warriors took to the road to find out how good they are against the tough private school.

Woodlan had the first quarter by scoring 22 of their points while LCC posted nothing. That changed once the second quarter began with Lima getting on the board with 7 points.

The second half nearly left Woodlan out in the cold when LCC added another 19 points to their score. Woodlan was able to add one more touchdown in the fourth quarter to take the win 29-26.

**WOODLAN CROSSES LINES TO DEFEAT LCC**

Touchdowns for the game were three for Mitchell VanBrocklin and one for Ahlan Howard.
